LITTLE ROCK, Ark. (KTHV) -- Twelve committee members that monitor the fate of your tax dollars are meeting Wednesday for the first time.

The Little Rock "CENT" meeting convenes for the first time on Wednesday at the Hinton Neighborhood Resource Center. CENT is an acronym for "Citizen Evaluation of New Tax."

Officials representing various city departments are on hand to monitor the use of the funds and discuss how those dollars will be spent.

In September of 2011, Little Rock voters approved a sales tax increase from a half percent to 1.5 percent.
