Mr. Steve Haralson
701 W. Markham St.
Little Rock, AR 72201

I know from experience that guys in your position hear more complaints than praise. I have a word of praise following a bad situation. The waste pick up truck turned around on my lawn destroying quite an area.

But along came Roosevelt Lewis!

In one day he had the sprinkler folks and a lawn maintence company here and everything is back to normal. Thank goodness for great guys like him.
