The property is located in an area of industrial zoning (I-2 and PID) between Interstate 30 and West 65th Street. There is a mixture of industrial and heavy commercial uses in this area. There is a mixture of industrial, commercial and institutional uses and zoning to the south across Interstate 30 and single-family residences are located west of the Goodwill Industries development.

The City's Future Land Use Plan designates this property as I, Industrial. A Land Use Plan Amendment from I to C, Commercial is a separate item on this agenda.

The Planning Commission reviewed this request at their April 8, 2021, meeting and there were no objectors present.
