Subject:	Action Required:	Approved By:
An authorizing the placement of the LaMarche Place Security Cameras at the intersection of LaMarche Boulevard and LaMarche Drive	√ **Ordinance** Resolution Approval	
Submitted By:		
Public Works Department		Bruce T. Moore City Manager

SYNOPSIS	Authorizes the placement in the public right-of-way of seven (7) security cameras at the intersection of LaMarche Boulevard and LaMarche Drive at the request of the LaMarche Place Property Owner's Association.
FISCAL IMPACT	No impact to the City Budget.
RECOMMENDATION	Approval of the ordinance.
BACKGROUND	The applicant, the LaMarche Place Property Owner's Association (LPPOA), has requested to place seven (7) security cameras within the public right-of-way. The security cameras will be placed at the intersection of LaMarche Boulevard and LaMarche Drive. The cameras are proposed to be mounted on stone pillars that are part of the entry walls and landscaping. The cameras will be placed at locations approximately seven (7) to eight (8) feet above the ground to deter vandalism. In addition, a three (3)-inch bore will occur under LaMarche Boulevard for the placement of electrical and video conduit.

BACKGROUND CONTINUED

This ordinance grants LPPOA a Franchise Permit for the private improvements to be located within the public right-of-way. LPPOA understands and agrees that the City assumes no responsibility to maintain or replace any conduit, mountings, or security cameras placed in the public right-of-way. In addition, LPPOA acknowledges that it has agreed to hold the City harmless from and all damages, liability and expenses that arise out of any claims against the City by any person, firm, corporation, partnership or company for which the City may become liable as a result of any act or omission of LPPOA as it relates to the installation, ownership and operation of the franchised items installed and operated by LPPOA in the public right-of-way.
