

PLANNING COMMISSION INSTRUCTIONS FOR MAKING APPLICATION FOR TOWER USE PERMIT

1. The applicant (owner or authorized agent) shall appear at the Department of Planning and Development, 723 West Markham, Little Rock, Arkansas; 371-4790, and complete the required application forms.
2. The applicants shall submit, as part of the application, a cover letter setting forth the request including information as is necessary to fully inform the Commission of the issue. Any known issue which will require a variance or waiver should be outlined in the letter. Include an "Effective Radiated Power" letter and a "Collocation" letter at filing according to the format defined by staff.
3. The applicant shall submit as part of the application three copies of a survey to scale, prepared by a professional surveyor, and a digital copy of a site plan to scale reflecting all physical improvements existing or proposed. The survey must be dated no more than five (5) years prior to the date of submittal of the application. The site plan must show dimensions from tower and equipment to the lease boundary lines and to property lines to the north, south, east and west. Include an elevation view of the tower site including height to top of tower, all antennas and equipment. Also include a detailed landscape plan in accordance with the City's WCF ordinance. In case of an "attached" WCF, a survey is not required if the entire WCF (antenna, equipment, power connection stand, etc.) is located on or within the footprint of the facility to which the WCF is attached. Site plans not involving the entire ownership shall be tied to the survey by giving dimensions from leased boundary lines to the property lines. For roof top collocations include a roof top plan showing dimensions from new antenna, equipment, etc. to roof edges, including dimensions for any extensions beyond roof edges and heights above points of attachment. Any plans/drawings larger than 8.5"x14" must be folded accordion style in quarter folds.
4. Prior to acceptance of the petition, the owner is required to sign a statement dealing with dedication of required street rights-of-way on abutting streets. The applicant will be provided a form for this purpose which shall be completed by the owner indicating his/her position. The owner will be required at his/her expense to provide the proper legal instrument for such dedication. A blank form for this purpose may be obtained from the Planning or Public Works staff.
5. Payment of a filing fee is required no later than the published docket closing date. Said fees are established by the City's adopted Fee Ordinance.
6. After properly filing the application and paying the fee, the applicant shall give notice as required below. The cost of these notices shall be borne by the applicant. (Note: This notice is not a petition for approval or disapproval.)

Before the Planning Commission shall consider a request for a tower use permit on any property, the petitioner for such action shall first give not less than fifteen (15) days written notice of the time, place, and date of public hearing thereon to all the record owners of property situated within 200 feet (**measured from the boundary of the survey provided and not from a lease line**) thereof as certified by a licensed abstractor. Said notice shall be sent by certified or registered mail to the last known address of such record owner(s), and the petitioner shall execute and file with the Planning staff an affidavit showing compliance herewith, attaching as exhibits to said affidavit official evidence that said notices have been so mailed.

7. The affidavit required and supporting exhibits (outgoing postmarked mailing receipts, certified abstract list of property owners on record and copy of notice) shall be filed with the Department of Planning and Development no later than six (6) calendar days prior to the meeting date.
8. The applicant shall post the sign furnished at the time of filing at the front of the property so that it can be seen from the street, at least thirty (30) calendar days before the meeting. If for any reason the sign should be destroyed or torn down, a replacement may be obtained from this office.
9. The applicant or properly designated representative shall be present at the Public Hearing and Subdivision Committee Meeting in order to answer any questions by members or interested parties.

PLEASE NOTE: NONCOMPLIANCE WITH THE ABOVE MAY CAUSE YOUR APPLICATION TO BE WITHHELD AND NOT CONSIDERED AT THE MEETING, AND MAY REQUIRE THE PAYMENT OF AN ADDITIONAL FILING FEE AND/OR RENOTIFICATION OF PROPERTY OWNERS.

***** The Planning staff and the Planning Commission strongly encourage the applicant to meet with the neighbors/neighborhood prior to the public hearing if the potential for opposition exists.**
