Moore City Manager</p>
SYNOPSIS	<p>An ordinance to authorize the City Manager to enter into a Sole-Source Agreement with Motorola for an upgrade to and maintenance on software and hardware of the Communications Division’s NICE IP Radio Logger.</p>	
FISCAL IMPACT	<p>The total amount is not to exceed \$96,988.30, including applicable taxes and fees. Funding is from the 2019 Edward Byrne Justice Assistance Grant, Account No 270529-G35171, and \$31,377.00 from the Little Rock Police Department, Account No. 105260-63390</p>	
RECOMMENDATION	<p>Approval of the ordinance.</p>	
BACKGROUND	<p>The NICE IP Radio Logger used by the Communications Division to record incoming phone lines, including 911 lines, has reached its function end of life and must be upgraded to a new version to ensure the equipment’s continued operation. Because this is an upgrade to existing equipment, the Little Rock Police Department is requesting a sole-source ordinance approving the purchase of the upgrade to be awarded to Motorola, the parent company of NICE.</p>
