## BACKGROUND CONTINUED

On June 20, 2023, the City Board of Directors passed an ordinance regulating Short-Term Rentals within the City of Little Rock. The new ordinance establishes "development standards" for Short-Term Rentals. If approved, the applicant must comply with the newly established development standards, in addition to all other requirements of the new ordinance.

Currently the City of Little Rock Department of Planning and Development has forty-nine (49) Short-Term Rentals (STR-1 and STR-2) listed within the database for approved Short-Term Rentals in the City of Little Rock. The City's new short-term rental ordinance allows a maximum of 500 Short-Term Rentals within the corporate boundary of the City of Little Rock.

The Planning Commission reviewed this request at their December 14, 2023, meeting and there were no objectors present. All owners of property located within 300 feet of the site, as well all Neighborhood Associations registered within the City of Little Rock, were notified. Please see the attached Planning Commission minutes for Staff's Analysis and the Commission's action.
