## BOARD OF DIRECTORS COMMUNICATION APRIL 2, 2019 AGENDA

Subject:	Action Required:	Approved By:
Socrata Annual Software Renewal	√ <b>Ordinance</b> Resolution	
Submitted By:		
City Manager's Office		Bruce T. Moore City Manager
SYNOPSIS  FISCAL IMPACT	To authorize City Manager to dispense with competitive bids and enter into a Sole-Source Contract with Socrata, Inc., for the Annual Software Renewal for the City's Open Data, Citizen Connect and Open Performance Sites.  The total cost for the Web-Based Platform Service will be \$94,404.00, plus applicable taxes and fees, and will be paid from Account No. 101011-61330.	
RECOMMENDATION	Approval of the ordinance.	
BACKGROUND	Socrata, Inc., is the City's current Open Data Platform vendor. The Open Performance Module connects with the data sets on the City's current Open Data Platform and is an extension of the work that has been done with What Works Cities. The City's current Agreement with Socrata, Inc., terminates on April 30, 2019, and if approved, the City's Socrata renewal will begin May 1, 2019.
