

Infrastructure Project Ward Meetings  
LR CENT and Capital Bond Program

The City of Little Rock is hosting a series of public meetings in each of the city's seven (7) wards over the next few weeks to gather public input about the proposed infrastructure projects for the 2019 to 2021 three-year cycle. Funding for these infrastructure projects comes from the 3/8 Cent Sales Tax for capital projects which was approved by Little Rock voters in September 2011 and the Capital Improvement Bonds approved by Little Rock voters in September 2012.

Since the previous round of projects were approved, City staff has continued to receive suggestions from the public for projects in this cycle. In the summer of 2017, citizens were also encouraged to submit new project ideas. Beginning in October 2017, staff from the Public Works Department reviewed the suggestions and estimated the cost for the projects. After this review, projects have been identified for each ward that can be completed within the necessary timeframe and the available funds. These will be presented in each ward at these public meetings prior to final approval by the City Board of Directors.

The schedule for meetings is as follows:

Thursday April 12	6:00pm to 7:30pm	Ward 3 Vice Mayor Kathy Webb	Hall High School Media Center 6700 H Street
Monday April 16	6:00pm to 7:30pm	Ward 2 Director Ken Richardson	Southwest Community Center 6401 West Baseline Road
