Dear Mr. Mayes:

In response to your request, enclosed is Arkansas Prevailing Wage Determination Number **14-362** establishing the minimum wage rates to be paid on the above-referenced project, ***provided the cost of all labor and material exceeds \$75,000. Should the project cost not reach that amount, there is no obligation to use this wage determination.*** These rates were established pursuant to the Arkansas Prevailing Wage Law, Ark. Code Ann. §§ 22-9-301 to 22-9-315 and the administrative regulations promulgated thereunder.

If the work is subject to the Arkansas Prevailing Wage Law, every specification shall include minimum prevailing wage rates for each craft or type of worker as determined by the Arkansas Department of Labor Ark. Code Ann. § 22-9-308 (b) (2). Also, the public body awarding the contract shall cause to be inserted in the contract a stipulation to the effect that not less than the prevailing hourly rate of wages shall be paid to all workers performing work under the contract. Ark. Code Ann. § 22-9-308 (c).

Additionally, the scale of wages shall be posted by the contractor in a prominent and easily accessible place at the work site. Ark. Code Ann. § 22-9-309 (a).

Also enclosed is a "**Statement of Intent to Pay Prevailing Wages**" form that should be put in your specifications along with the wage determination. The General/Prime Contractor is responsible for getting this form filled out and returned to this office within 30 days of the Notice to Proceed for this project.

***When you issue the Notice to Proceed for this project, please send a copy of the notice to my office.***

If you have any questions, please call me at (501) 682-4536 or fax (501) 682-4508.
