*A10. As you will note no census was sent for the Little Rock Convention Bureau, which was dropped from coverage as of August 2011.*

*The City has advised that they had some additional hiring in 2013 and this could account for the increase you indicated. No additional affiliate was added.*

**Q11. On the experience, some claims have a Status of "No Reserve". Why is that? Are they closing soon? Was there an overpayment and nothing additional is expected to be paid on them?**

*A11. The individuals noted with "No Reserve" are claimants that currently have an outstanding overpayment associated with their claim. At this time, there are not any additional payments being made to them.*

**Q12. Can you confirm if you want separate quotes with and without the additional affiliates (Arkansas Art Center, Metroplan, and Downtown Partnership)? Or just one quote per requested plan design that includes both the currently covered employees and the new affiliates' employees.**

*A12. Just one quote per plan design including both the currently covered and the new affiliates.*
