Ms. Raley stated that RMD’s applied to governmental plans and there were several items that the Board should consider adopting to be more formal. Ms. Raley distributed copies of the Internal Revenue Code Section 1.401(a)(9) for discussion. Ms. Raley stated that the Firemen’s Relief and Pension Fund was a qualified plan under the Internal Revenue Code, which meant that the RMD’s must be followed to retain the qualified status. Ms. Raley reported that the Standard of Duty was to make a reasonable good-faith interpretation of the RMD, which meant that everyone 70½ had to be notified. Ms. Raley reported that the statute stated that the funds must be distributed, or annuitized, by December 31st of the year the member attains the age of 70½.

   Mr. Jacks made the motion, seconded by Mr. Wright, that the funds be distributed, or annuitized, by December 31st of the year the member attains the age of 70½. Mr. Reep suggested that Ms. Raley draft a simple one (1)-page policy regarding the RMD and that the Board act upon that policy. Mr. Jacks withdrew his motion, and Mr. Wright withdrew his second of the motion.

   B. Brenda Warner’s Request for Dependent Benefit: Ms. Raley stated that previously she had changed her opinion regarding withholding the dependent benefit for Mrs. Warner’s son and that as long as he could continue to show proof of attendance in college, the benefit should continue until he reached the age of twenty-three (23).

   D. Disability after DROP Issue: Ms. Phillips stated that staff had received several inquiries regarding the fact if a member became disabled, would they lose the balance in their DROP account. Mr. Sherwood stated that he understood if a member was on the DROP and for some reason becomes disabled, in order to receive the 65% disability, they would have to take what DROP money they had and turn it back in. Ms. Raley stated that there was an Attorney General’s opinion in 1997 that stated it was either/or; however, she wanted to conduct some additional research to determine if the opinion was current as of 2010.

   E. Election of Active Board Member: Mr. Reep reported that the retirees would have to vote on Position 4, which is currently held by Mr. Jacks and that Chief Snowden would have to notify the thirty-eight (38) active Firefighters that there would be an election for Position 2, which is currently held by Mr. Sherwood.
