Other Business:
A. Age 70½ Required Minimum Distribution: In the absence of Ms. Raley, Ms. Lenehan referred to the letter that Ms. Raley wrote stating that a member who reaches the age of 70½ should take their money out by December 31st of that year. In the letter, Ms. Raley further stated that a letter should be sent to the member well ahead of that time to notify them of the requirement to withdraw their funds and to provide them with options, which could include a rollover to an IRA or a lump sum distribution by the deadline. Mr. Jacks made the motion, seconded by Mr. Wright to adopt the policy. By voice vote of the Board Members present, the policy was adopted.

B. Disability after DROP Issue: Due to the fact that Ms. Raley was not present at the meeting, the issue was tabled until the May Meeting.

Other Business:
A. Approval of the Election Ballot: Mr. Reep requested that a write-in box be added to the ballot. Mr. Jacks made the motion, seconded by Mr. Sherwood, to adopt the ballot with the amendment of a write-in box. By voice vote of the Board Members present, the ballot as amended was adopted.

B. Memo from LOPFI: Mr. Reep discussed the letter recently received from the Arkansas Fire & Police Pension Review Board stating that they had received the 2009 Financial Report and that the Fire Pension Fund could begin the consolidation process with LOPFI should they so desire.

C. Withdrawals: Mr. Reep stated that it had been brought to his attention that one of the pension members had been making frequent withdrawals, treating the fund more like a savings account. Ms. Lenehan stated that members had the option of having a monthly distribution or they could receive their money in a lump sum; however, recently staff had been receiving calls as frequently as once a week asking for a withdrawal; which requires individual check runs. Mr. Reep asked the Board if they felt there should be a limit to the number of withdrawals or should there be a period of advance notice. Mr. Sherwood stated that staff is not set up to have individuals requesting frequent withdrawals and suggested that if members anticipated the need for constant access to their money, they should set up a monthly distribution and have it deposited into the credit union. Mr. Sherwood stated that due to the fact that the funds are invested and only a limited
amount of cash is kept on hand in the checking account, an individual should have to make a request three (3) – five (5) days in advance to ensure that the funds would be available. Mr. Wright suggested sending a letter out to all the retirees advising them that there would be a requirement of a three (3) day advance notice to withdraw funds or an account could be set up to transfer money on a monthly basis. Ms. Lenehan stated that some individuals might not opt for a monthly withdrawal as there would be taxes involved with the withdrawal of funds. Mr. Jacks made the motion, seconded by Mr. Sherwood, that staff work with Ms. Raley to develop a policy regarding withdrawal of funds by pension members. By voice vote of the Board Members present, the motion was approved.

D. **Refunds:** Ms. Phillips stated that at the request of Mr. Wright, staff had conducted an audit of Faith Taylor Nolan’s account to ensure that she received an increase in January. Ms. Phillips reported that the audit was conducted and both Beverly Cole and Faith Taylor Nolan’s anniversary dates were in January and they both received the benefit increase; however, they did not receive the COLA increase. Ms. Phillips stated that a refund was issued to both individuals, bringing them up to the correct amount. Ms. Phillips stated that in the course of the audit, it was discovered that Mr. Wright’s 3% COLA amount was calculated incorrectly. Mr. Jacks made the motion, seconded by Mr. Sherwood, to adjust the amounts. My voice vote of the Board Members present, the motion was approved.

Mr. Wright made the motion, seconded by Mr. Sherwood, to adjourn the meeting. By unanimous voice vote of the Board Members present, the meeting was adjourned at 10:17 AM.
