World Cultural Fair Contest

The Little Rock Racial and Cultural Diversity Commission [RCDC] will host its popular World **Cultural Fair Contest** – a competition aimed at promoting diversity / international education among students.

The **World Cultural Fair Contest** is much like a science fair in which participating student's research and showcase a country during the **World Fest 2016** event.

Contest participants are required to create a tri-fold display board with information (geography, history, culture, etc) about their assigned country. Students should be prepared to tell judges/visitors highlights and interesting facts about the country they are representing. Displays will be judged on appearance, information presented and the students' knowledge about their country. We would ask that students be available at their display to discuss features about their country with other students and the general public.

We invite all high schools, middle schools and elementary schools in the state— both public and private to participate.

Classroom teachers may enter their students in the competition by completing the **World Cultural Fair Contest** registration form (see attached).

Completed forms must be faxed to: (501) 244-5467 or submitted by mail to :
