

Arkansas Clean Indoor Air Act of 2006

Arkansas Clean Indoor Air Act of 2006

Smoking is prohibited in all public places
and enclosed areas within places of employment (including
government vehicles).

For more information go to:

www.arcleanair.com

Or call

1-800-235-0002

It is unlawful for any employer to discriminate or
retaliate in any manner against a person for
making a complaint of a possible violation.

Arkansas State Board of Health
