## PERFORMANCE FEEDBACK PROCESS APPEAL FORM

An employee may appeal an annual performance feedback appraisal where it is believed that the overall rating or individual performance factor ratings do not represent a true evaluation of the employee's work performance during the appraisal period. Such appeal shall follow the normal chain of command up to and including the Department Director if necessary.

Within 10 days of receipt of a signed copy of the appraisal, the employee should meet with the evaluating supervisor in an attempt to resolve the disagreement before filing a formal appeal. Though not required at this step, the appealing employee is encouraged to complete and utilize this Performance Feedback Appeal Form as the basis of the initial discussion with the supervisor. If not resolved in this informal discussion, the employee may formally appeal the evaluation by completing and submitting this Performance Feedback Appeal Form to the evaluating supervisor within 10 days after receiving the signed copy of the performance feedback rating. If the appeal is not resolved by the immediate supervisor, it is the appellant's responsibility to move the appeal through the subsequent steps in a timely manner (see Performance Feedback Appeal Procedure).
