The Commission for Accreditation of Park and Recreation Agencies (CAPRA) recognizes park and recreation agencies for excellence in operation and service. Each agency is charged with providing high quality services and experiences, park and recreation agencies across the United States turn to CAPRA Accreditation as a credible and efficient means of achieving these goals, while providing assurance to the public that the agency meets national standards of best practice. CAPRA accredits departments and agencies that provide park and recreation programs and services.

**There are currently 112 accredited park and recreation agencies in the United States.**

**Little Rock Parks and Recreation is the only agency in the state to successfully achieve national accreditation.**

# GENERAL INFORMATION

# LATCHKEY

## 2016 Program Dates

<b>First Session:</b>	<b>January 5 – June 2</b>
<b>Second Session:</b>	<b>August 22 – December 16</b>
<b>Latchkey Hours:</b>	<b>2:30pm – 6:00pm</b>
<b>Registration:</b>	<b>\$25.00 monthly per child</b>
	<b>Must be at least 6 years of age</b>
	<b>All fees due in full per session upon registration.</b>

The Latchkey Afterschool program at each community center offers parents an affordable program that provides structured activities, staff supervision, homework time, athletics, recreational activities, meals and snack time.

Latchkey also provides an opportunity for registered participants to attend the community center on non-school Little Rock School District calendar days.

### **Afterschool Programs: Making a Difference in America's Communities by Improving Academic Achievement, Keeping Kids Safe and Helping Working Families**

A 2010 Afterschool Alliance election eve poll found that more than half (52 percent) of likely voters agree that afterschool, before-school and summer learning programs are the best way to expand learning opportunities for students in order to help them do better in school, motivate them to stay on track and prepare them for the future. Afterschool programs are serving a high need population. Parents express a strong need for afterschool programs and feel hopeful that these programs will improve their children's life chances.

# 2016 YOUTH ATHLETICS SPRING CALENDAR

## Spring Sports Programs

**Soccer** – Primarily devoted to the enjoyment and development of soccer players, we provide an opportunity for participants to have fun, learn the sport and develop life skills. We are dedicated to helping players reach their full potential while fostering a love of the game. Instructional clinics for both coaches and players are included in registration.

**Track & Field** – The program is designed to expose participants to the basic foundation of an active life: physical fitness, running, jumping and throwing. Participants will compete in a series of track meets and earn an opportunity to participate in the Hershey's Track and Field Championship Track Meet.

**Junior Hoops** – This competitive basketball league is open to Middle School and High School basketball players. The league allows participants to play with their competitive clubs, friends from other teams and lengthen their basketball seasons with a Tournament Champion crowned at season end.

**Baseball** – An emphasis is placed on fun, teaching of basic skills and fundamentals, team concept and sportsmanship. League play may vary at each community center and additional fees may be required. Instructional clinics for both coaches and players are included in registration.

### Registration Opens January 2, 2016

Once you have decided on which community center you would like to register with, you can complete the registration process using one of two methods:

1. Register on site at your selected center during their hours of operation.

Walking is a great way to improve or maintain your overall health. Just 30 minutes every day can increase cardiovascular fitness, strengthen bones, reduce excess body fat, and boost muscle power and endurance. It can reduce your risk of developing conditions such as heart disease, type 2-Diabetes, osteoporosis and some cancers. Unlike some other forms of exercise, walking is doesn't require any special equipment or training.

Our community centers are available for members for walking indoors at each of our facilities. We encourage walking at our open gymnasiums during non-scheduled activity times. Members are encouraged to walk alone or bring friends for walking laps weekly.

# ADULT GYM TIME

*Enjoy recreational basketball?  
Fun competition with friends, no  
league play, open to men and women  
who want to exercise at each facility.  
Membership required at each facility.  
Times vary at each location.*

The advantage of a smaller, local community center Fitness Area/Weight Room is we can offer lower fees with no enrollment fees and great equipment available for use. Little Rock Parks and Recreation equipped Dunbar Community Center and Southwest Community Center with new equipment in 2013. The equipment ranges from a sea of cardiovascular equipment at the gym –rows of treadmills, elliptical machines, stair steppers, stationary bikes, and more.

Also, smaller gyms can have fewer members. What this means is that you have better availability for the fitness equipment. For the personal touch, the staff at our community centers is better able to get to know you and vice versa.

Join one of our gyms today and improve your health.

# **AGING & ACTIVE PROGRAMS**

Little Rock Parks and Recreation offers a variety of recreational programs and activities for persons 55 years of age and older. Activities provide opportunities for active senior adults to use their leisure time to travel, pursue old hobbies and learn new ones, increase their knowledge, socialize with old friends or meet new ones, become physically fit and much more. For that extra time you have, the Aging & Active Program has a lot to offer. Get up and go!
