### Director's Message

The holiday season is upon us and we take this time to look back over the past 12 months and appreciate all that we have. This is the time to say thank you.

To Mayor Mark Stodola, the Little Rock Board of Directors, City Manager Bruce Moore, Assistant City Manager Brian Day, the Little Rock Parks & Recreation Commission, and all those who make the operation of this great city possible.

Thank you.

To all of our friends who have supported our mission of getting the citizens of Little Rock to enjoy the outdoors and see what this beautiful city has to offer.

Thank you.

To the children of Little Rock who take part in the many activities at our Community Centers, the Rebsamen Tennis Center, the Jim Dailey Fitness & Aquatics Center, the Summer Playground Program, the Summer Laureate Program, the Therapeutic Recreation Program.

Thank you.

To the "Greatest Generation" taking part in our active and aged programs and continuing to lead your lives with class and dignity.

Thank you.

To the thousands of runners, golfers, tennis players, softball players, disc golfers, swimmers and all others who take part in our programs and utilize our facilities throughout the year.

Thank you.

To the staff of Little Rock Parks & Recreation. The maintenance workers, the recreation programmers, the facility managers, the administrators, the marathon staff, the golf course staff and all others who make this one of the top Parks & Recreation departments in the country.

Thank you.

We have all worked together to clean up after natural disasters. We have looked out for each other in times of need. We have celebrated great achievements together. And we have consoled each other in times of loss.

We have a lot to be thankful for and to be proud of from these past 12 months. But, we also have a lot of work ahead of us to continue to improve and provide the type of program that the citizens of Little Rock deserve.

So, we say again, thank you for 2013, but get ready for a great 2014.

May the blessings of the season be upon you all.

Sincerely

Truman Tolefree  
Director – Little Rock Parks & Recreation
