AN ORDINANCE TO AMEND LITTLE ROCK, ARK., ORDINANCE NO.
20,986 (JANUARY 20, 2015) TO ADD TWO (2) MEMBERS TO THE
LITTLE ROCK ENERGY IMPROVEMENT DISTRICT BOARD OF
DIRECTORS AND TO STAGGER THE TERMS OF THE MEMBERS OF
THE BOARD OF DIRECTORS; TO DECLARE AN EMERGENCY; AND
FOR OTHER PURPOSES.

WHEREAS, the City created an independent legal and financial authority with the authority to issue
bonds in order to permit the creation and implementation of, among other things, a Property Assessed Clean
Energy (PACE) Program in Little Rock, Ark., Ordinance No. 20,986 (January 20, 2015) (“LRO 20,986”);
and,

WHEREAS, the City accepted the recommendation that no member of the Board of Directors of this
authority be required to serve more than two (2) years on the Board, but has since determined that without
staggered terms the City risks the loss of any institutional knowledge if all members were to leave the Board
at the same time; and,

WHEREAS, the City also believes that the addition of two (2) more at-large members will assist in
the fulfillment of the goals of this program;

NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF DIRECTORS OF THE CITY
OF LITTLE ROCK, ARKANSAS:

Section 1. Section 1 of LRO 20,986, is hereby amended as follows with regard to subparagraph B:

B. Board of Directors, Membership, Terms of Office.
(1) The District shall be governed by a Board of Directors (“the EID Board”) consisting
of nine (9) members. One (1) member shall be the Mayor, or the Mayor’s designee. The
remaining eight (8) members shall be qualified electors of the District nominated by the
Mayor and approved by majority vote of the Little Rock City Board of Directors, each to
serve a term of three (3) years, except as set forth in subparagraph (2) below. The remaining
eight (8) members of the EID Board shall be comprised of qualified candidates having
background, experience, and expertise in at least one (1) of the following areas:

(a) Municipal finance, banking, commercial lending, or a combination of the
three.

(b) Public accounting.
(c) Real estate development and commercial construction.
(d) Legal services.
(e) Architecture, professional engineering, or a combination of both.
(f) The advanced energy industry, including energy efficiency or “green building” contracting and consultation.

The City Board of Directors shall give due consideration to candidates with connections or relations with local utility companies, lending or bonding institutions and relevant trade and economic development groups and associations.

(2) The membership of the Board of Directors, after a full complement of nine (9) members have been selected, notwithstanding the fact that the general term of office is three (3) years after the initial terms are complete, shall draw lots to determine how the eight (8) members, besides the Mayor or the Mayor’s designee, will serve terms initially.

(a) Of the original six (6) members, other than the Mayor or the Mayor’s designee, the members shall draw lots to determine which three (3) shall serve three (3)-year terms initially, and which three shall serve two (2)-year terms initially.

(b) The two (2) new members authorized by this ordinance shall originally serve a one (1)-year term.

(c) After this initial set of terms, all persons selected for a full term shall serve three (3) years.

(d) Any person chosen to complete the unexpired term of a member, for any reason whatsoever, shall serve until the regular term of the departing member has expired.

(e) The initial terms of the members as determined in subsections (a) and (b) above shall be deemed to have started once the process for determine the length of terms has been completed.

(f) Nothing in this process suggests that any member of the EID Board is precluded from serving a successive term, nor that for the original members of the EID Board with a term of less than three (3) years shall be considered to have served a full term for purposes of City policy as to tenure on City Boards and Commissions.

Section 3. Severability. The various parts, sections and clauses of this ordinance are hereby declared to be severable. If any part, sentence, paragraph, section or clause is adjudged unconstitutional or invalid by court of competent jurisdiction, the remainder of this ordinance shall not be affected thereby.
Section 5. **Repealer.** All laws, ordinances, resolutions, or parts thereof in conflict with the provision of this ordinance are hereby repealed to the extent of such conflict specifically including, but not limited to, Little Rock, Ark., Resolution No. 14,155 (July 7, 2015).

Section 6. **Emergency.** The Board of Directors hereby determined that there is a need for continued knowledge of the PACE Board, and that the possibility of all members having terms expire at the same time, with the concomitant loss of institutional history, does not promote the public health, safety, and welfare; therefore, an emergency is hereby declared to exist, and this shall be in full force and effect from and after its passage and approval.
