SEPARATE ITEMS (Items 25 and 20 - 23)

25. ORDINANCE NO. 20,940: To amend Little Rock, Ark., Rev. Code §4-51 (1988) to set the hours of operation for private clubs; to declare an emergency; and for other purposes. (3rd Reading) (1st Reading held on August 19, 2014) (2nd Reading held on September 2, 2014)

Due to the fact that her son-in-law worked for the law firm that representing several of the 5:00 AM Private Clubs, Director Wyrick stated that she would have to recuse from the conversation and vote for Item 25, and would have to leave the Board Chambers.

The ordinance was read a first time. Director Adcock made the motion, seconded by Director Richardson, to suspend the rules and place the ordinance on second reading. By unanimous voice vote of the Board Members present, the rules were suspended and the ordinance was read a second time. Director Adcock made the motion, seconded by Director Cazort, to suspend the rules and place the ordinance on third reading. By unanimous voice vote of the Board Members present, the rules were suspended and the ordinance was read a third time.

Justin Allen: Stated that he represented several of the 5:00 AM Private Clubs and that on their behalf, he wanted to express his appreciation for allowing them the opportunity to have input in the drafting of the ordinance.

By unanimous voice vote of the Board Members present, the ordinance was approved.

20. ORDINANCE NO. 20,941; Z-4386-B: To approve a Planned Zoning Development and establish a Planned Commercial District titled Murphy USA Short-Form PD-C, located on the southeast corner of Cantrell and Taylor Loop Roads, Little Rock, Arkansas, amending the Official Zoning Map of the City of Little Rock, Arkansas; and for other purposes. Planning Commission: 8 ayes; 0 nays; and 3 absent. Staff recommends approval. Synopsis: The request is a rezoning from R-2, Single-Family District, and PD-C, Planned Development – Commercial, to PD-C to allow for the development of this site with a convenience store with gas pumps.

The ordinance was read a first time. Director Hines made the motion, seconded by Director Richardson, to suspend the rules and place the ordinance on second reading. By unanimous voice vote of the Board Members present, the rules were suspended and the ordinance was read a second time. Director Hines made the motion, seconded by Director Cazort, to suspend the rules and place the ordinance on third reading. By unanimous voice vote of the Board Members present, the rules were suspended and the ordinance was read a third time.

Mayor Stodola stated that he had received cards from several individuals requesting a deferral of the item and explained that unless there was a motion made and voted on, the item would be heard that evening.

Director Adcock made the motion to defer the Item 20 for two (2) weeks; however, the motion failed due to the lack of a second.
Director Hurst stated that she had received contributions to her political campaign from entities associated with the application, and asked if she would need to recuse on the item. Chief Deputy City Attorney Bill Mann stated that according to Section 2-231 of the Code of Ethics, campaign contributions were excluded from the classification of Gifts. In addition, Chief Deputy City Attorney Mann stated that he had researched Arkansas State Law for State and Local Officials and had determined that campaign contributions were specifically excluded. Chief Deputy City Attorney Mann stated that unless her vote benefited her personal financial situation, it did not impact her ability to discuss and/or vote on the ordinance.

Wayne Gibson: Stated that he represented the applicant, Murphy USA, and had worked on the project since it had begun. Mr. Gibson provided the Board with an overview of the proposed project. Mr. Gibson stated that Murphy had commissioned Ernie Peters to conduct a traffic study in the area and felt that the project was suitable for the location.

Director Wyrick asked how often the tanker trucks would be at the location to fill the tanks. Mr. Gibson stated that there was not a set time that the trucks would refill the tanks. Mr. Gibson stated that they were able to monitor the level of fuel and that trucks were not dispatched until the tanks needed to be refilled. In addition, Mr. Gibson stated that any refueling would occur after the hours of operation.

Director Fortson asked what modifications had been made to the site since the initial review by Planning Staff. Planning & Development Department Director Tony Bozynski stated that early on in the process when the initial application was submitted, there were concerns regarding the access and circulation of the site. Mr. Bozynski stated that the current application restricted several of the turning movements off of Cantrell Road and Taylor Loop Road which addressed the concerns that staff had voiced. Mr. Bozynski stated that the current plan prohibited a left-turn onto Cantrell Road heading west, and a left-turn from Taylor Loop Road into the site. Director Fortson asked if staff had considered the increased congestion or the increased wait for turning time when making their recommendation of approval. Public Works Department Director Jon Honeywell stated that staff studied the traffic study and did not see a negative impact. Director Adcock asked how many variances were being requested in the project. Mr. Bozynski stated that the property was located within the Highway 10 Design Overlay District (DOD) boundaries and that there was a provision that if the application didn’t comply with the different requirements, then it would need to go through the Planned Development Process. Mr. Bozynski stated that the site was 1.28 acres, which was less than the two (2)-acre requirement of the DOD. In addition, the DOD required a forty (40)-foot rear-yard encroachment and what was being proposed was twenty-five (25) feet and there were minor encroachments on the side-yards located on the east and west side. Mr. Bozynski also reported that the canopy signage exceeded the percentage that was allowed and that there was canopy signage on the east side, which did not have street frontage.

Ernie Peters stated that the site had long been identified on the City’s Land Use Plan as a commercial node and there were commercial uses that could be placed on the tract that would be significantly worse in terms of the impact on traffic in the area. Mr. Peters stated that he had conducted the traffic study at the request of the applicant, and not the City. Mr. Peters stated that he met with City Staff and reviewed turning movements and
as a result of the analysis, the recommendations were made to the applicant to restrict
the driveways on both Cantrell Road and Taylor Loop Road. In addition, Mr. Peters
stated that the applicant had pulled the accident reports for the most recent twelve (12)-
month time period, and during that time there were a total of nine (9) vehicular accidents.
Director Hurst asked how an individual would be restricted from making a left-turn into
the site from Taylor Loop Road. Mr. Peters stated that a concrete island would be
installed to separate the movements inbound and outbound from the site.

Mayor Stodola stated that it was already 8:00 PM, which is when the Board normally
took a break. Mayor Stodola stated that there was an Executive Session for Board and
Commission appointments scheduled for later in the evening and that if the Board chose
to take a break, they could address the Board & Commission appointments at that time.
Director Richardson made the motion, seconded by Director Cazort, for the Board to go
into Executive Session for the purpose of Board & Commission appointments. By voice
vote of the Board Members present, with Director Adcock voting in opposition, the
Board went into Executive Session. (Board and Commission Appointments listed at
the end of this document).

City Manager Bruce Moore stated that the Board Communication included incorrect
information in that it stated there were no record objectors at the Planning Commission
Meeting in which Item 20 was addressed. City Manager Moore stated that the record
should reflect that there were in fact objectors present.

Grey Williams, 6 Thomas Park Circle: Stated that he represented the Taylor Loop
Safety Patrol, an all-volunteer group made up of many of the surrounding neighborhoods
in and around the site. Mr. Williams spoke to the life safety and traffic hazards at the
Cantrell Road and Taylor Loop Road intersection, and asked the Board to deny the
application.

that the Board approve the application.
Molly Teeter, 13911 Hinson Road: Stated that she was opposed to the application.
Patrick Anders, 14011 Longtree Drive: Stated that he was opposed to the application.
Rohn Muse, 822 Lewis Street: Stated that he was opposed to the application and urged the Board to deny the application.
Anne Pierce, 317 Garden Valley Loop: Stated that she was opposed to the application and urged the Board to deny the application.
Kathryn Murphy, 132 Hickory Creek Circle: Stated that she was opposed to the application and felt there were already too many gas stations in the area. Ms. Murphy urged the Board to deny the application.
Rick Parker, 1 Hickory Creek Cove: Stated that there were forty (40) businesses located within 350 feet of the intersection, which led to the congestion in the area. Mr. Parker stated that he was opposed to the application.
Elizabeth Foster, 14608 Cecil Drive: Stated that she was opposed to the application and urged the Board to deny the application.
Allen Quattlebaum, 18 Westchester Court: Stated that he was opposed to the application and urged the Board to deny the application.
Diane Moellers, 4717 Westchester Drive: Stated that she was opposed to the application and urged the Board to deny the application.
Robert Hines, 4 Secluded Hills Court: Stated that he and his wife had just purchased a home in the Secluded Hill Division and he was opposed to the application.
