This bond shall bear interest from the payment date next preceding the date on which it is authenticated unless it is authenticated on an interest payment date, in which event it shall bear interest from such date, or unless it is authenticated during the period from the Record Date to the next interest payment date, in which case it shall bear interest from such interest payment date, or unless it is authenticated prior to the first interest payment date, in which event it shall bear interest from the Dated Date shown above, or unless at the time of authentication hereof interest is in default hereon, in which event it shall bear interest from the date to which interest has been paid.

This bond is issued under the authority of the Constitution and laws of the State of Arkansas, including particularly Amendment 62 to the Arkansas Constitution (“Amendment 62”) and Title 14, Chapter 164, Subchapter 3 of the Arkansas Code of 1987 Annotated (the “Authorizing Legislation”). It shall not be valid unless the Certificate of Authentication shall have been signed by the Trustee.

This bond is one of an issue of bonds of the City designated “Limited Tax General Obligation Capital Improvement Bonds, Series 2018” (the “Bonds”) in the aggregate principal amount of Forty-Three Million, Four Hundred Seventy-Five Thousand Dollars ($43,475,000.00).

The Bonds are limited tax general obligations of the City, payable from the proceeds of a continuing annual tax of 3.0 mills on the dollar of the assessed valuation of the taxable real and personal property in the City, subject to rollback as provided in Amendment No. 59 to the Arkansas Constitution (the “Special Tax”), including penalties and interest payable with respect thereto, and all payments received by the City from the State of Arkansas in lieu thereof under Amendment No. 79 to the Arkansas Constitution (collectively, the “Special Tax Collections”), levied by the Board of Directors under the authority of Amendment 62 and the Authorizing Legislation. The City hereby pledges the Special Tax Collections for the equal and ratable payment of the Bonds on a parity with the pledge in favor of the City's Limited Tax General Obligation Capital Improvement Bonds, Series 2013 (the “Series 2013 Bonds”). The Special Tax shall be collected with the property taxes payable in 2018 and continuing annually thereafter until all of the Bonds and interest thereon have been paid in full or deemed paid in accordance with the provisions of Ordinance No. 20,735 (June 18, 2013) of the City duly adopted on June 18, 2013, and Ordinance No. 21,640 of the City duly adopted on October 16, 2018 (collectively, the “Authorizing Ordinance”).

The Bonds are not secured by any lien on or security interest in any physical properties.

This Bond is transferable by the Registered Owner shown above in person or by his attorney-in-fact duly authorized in writing at the principal corporate trust office of the Trustee, but only in the manner, subject to the limitations and upon payment of the charges provided in the Authorizing Ordinance, and upon surrender and cancellation of this Bond. Upon such transfer a new fully registered Bond or Bonds of the same maturity, of authorized denomination or denominations, for the same aggregate principal amount, will be issued to the transferee in exchange therefor. This Bond is issued with the intent that the laws of the State of Arkansas shall govern its construction.
The City and the Trustee may deem and treat the Registered Owner shown above as the absolute owner hereof for the purpose of receiving payment of or on account of principal hereof and interest due hereon and for all other purposes, and neither the City nor the Trustee shall be affected by any notice to the contrary.

The Bonds are issuable only as fully registered bonds in the denomination of Five Thousand Dollars ($5,000.00), and any integral multiple thereof. Subject to the limitations and upon payment of the charges provided in the Authorizing Ordinance, fully registered bonds may be exchanged for a like aggregate principal amount of fully registered bonds of the same maturity of other authorized denominations.

The Bonds are subject to special mandatory, optional and mandatory sinking fund redemption prior to maturity as follows:

(1) The Bonds shall be redeemed from Surplus Tax Collections (hereinafter defined) on each April 1, commencing April 1, 2019, in inverse order of maturity (and by lot within a maturity in such manner as the Trustee may determine), in whole or in part, at a redemption price equal to the principal amount being redeemed plus accrued interest to the redemption date. Surplus Tax Collections are the Special Tax Collections in excess of the amount necessary to (i) make the next two (2) interest payments, the next principal payment, the Trustee’s fees and expenses and other administrative charges with respect to the Bonds and the Series 2013 Bonds and (ii) pay any arbitrage rebate due under Section 148(f) of the Internal Revenue Code of 1986, as amended.

The amount of Surplus Tax Collections used to redeem the Bonds and the Series 2013 Bonds will be prorated between such bonds based on the then outstanding principal amount of each (and rounded to the nearest Five Thousand Dollars ($5,000.00)).

In case of any defeasance of the Bonds, redemption of defeased Bonds shall be scheduled on the basis of mandatory redemption requirements and assuming annual Special Tax Collections in an amount equal to receipts for the most recent twelve (12)-month period.

(2) The Bonds may be redeemed at the option of the City on and after October 1, 2022, from funds from any source, in whole or in part at any time, at a redemption price equal to the principal amount being redeemed plus accrued interest to the redemption date. If fewer than all of the Bonds shall be called for redemption, the particular maturities of the Bonds to be redeemed shall be selected by the City in its discretion. If fewer than all of the Bonds of any one maturity shall be called for redemption, the particular Bonds or portion thereof to be redeemed from such maturity shall be selected by lot by the Trustee.

(3) To the extent not previously redeemed, the Bonds maturing on April 1st in the years 2025 and 2028 are subject to mandatory sinking fund redemption by lot in such manner as the Trustee may determine, on April 1st in the years and in the amounts set forth below, at a redemption price equal to the principal amount being redeemed plus accrued interest to the date of redemption:

Bonds of denominations greater than Five Thousand Dollars ($5,000.00) may be redeemed partially in the amount of Five Thousand Dollars ($5,000.00) or any integral multiple thereof.

Notice of redemption identifying the Bonds or portions thereof to be redeemed shall be given by the Trustee, not less than thirty (30) nor more than sixty (60) days prior to the date fixed for redemption, by mailing a copy of the redemption notice by first-class mail, postage prepaid, or by sending a copy of the redemption notice via other standard means, including electronic or facsimile communication, to all registered owners of Bonds to be redeemed. Failure to send an appropriate notice or any such notice to one or more registered owners of Bonds to be redeemed shall not affect the validity of the proceedings for redemption of other Bonds as to which notice of redemption is duly given and in proper and timely fashion.

All such Bonds or portions thereof thus called for redemption shall cease to bear interest on and after the date fixed for redemption, provided funds for their redemption are on deposit with the Trustee at that time. With respect to notice of redemption of the Bonds, unless moneys sufficient to pay the principal of and interest on the Bonds to be redeemed shall have been received by the Trustee prior to the giving of such notice, such notice shall state that such redemption shall be conditional upon the receipt of such moneys by the Trustee on or prior to the date fixed for such redemption. If such moneys shall not have been so received, such notice shall be of no force and effect, the City shall not redeem such Bonds and the Trustee shall give notice, in the manner in which the notice of redemption was given, that such moneys were not so received.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of this bond have existed, have happened and have been performed in due time, form and manner as required by law; that the indebtedness represented by this Bond and the issue of which it forms a part does not exceed any constitutional or statutory limitation; and that a tax sufficient to pay the Bonds has been duly levied in accordance with
Amendment 62 and the Authorizing Legislation and made payable annually until all of the Bonds and interest thereon have been fully paid and discharged.

IN WITNESS WHEREOF, the City has caused this Bond to be executed by its Mayor and City Clerk, thereunto duly authorized, and its corporate seal to be impressed hereon all as of the Dated Date shown above.

Section 6. For the prompt payment of the Series 2018 Bonds with interest, the City pledges collections of the Special Tax (levied at the rate of 3.0 mills, subject to rollback as provided in Amendment 59) that it receives, including penalties and interest payable with respect thereto, and all payments received by the City from the State of Arkansas in lieu thereof under Amendment No. 79 to the Arkansas Constitution (collectively, the “Special Tax Collections”). The pledge of Special Tax Collections in favor of the Series 2018 Bonds is on a parity with the pledge in favor of the Series 2013 Bonds. The Series 2018 Bonds are being issued as “Additional Parity Bonds” under Ordinance No. 20,735 and shall be a part of the “Bonds” within the meaning of such ordinance. In this regard, all provisions of Ordinance No. 20,735 pertaining to the “Bonds” shall inure and appertain to the Series 2018 Bonds to the same extent and with like force and effect as if herein set out in full. The effect of the above provisions shall be to continue the applicable
provisions of Ordinance No. 20,735 in full force and effect after the Series 2013 Bonds are paid or provision
is made therefor.

**Section 7.** The Series 2018 Bonds shall be callable for payment prior to maturity in accordance with
the terms set out in the Series 2018 Bond form in Section 5 of this ordinance.

**Section 8.** When the Series 2018 Bonds have been executed and sealed as herein provided, they shall
be delivered to the Trustee, which shall authenticate them and deliver them to the Underwriters upon
payment of the Purchase Price. The expenses of issuing the Series 2018 Bonds shall be deposited into a
special account of the City created with the Trustee and designated “2018 Cost of Issuance Fund” (the “Cost
of Issuance Fund”). Moneys in the Cost of Issuance Fund shall be expended as directed in the delivery
instructions to the Trustee signed by the Mayor and City Clerk or in requisitions, with any amount remaining
on February 1, 2019, to be transferred to the Limited Tax General Obligation Capital Improvement Bond
Fund.

The balance of the Purchase Price shall be deposited in two special accounts of the City hereby created
in the Trustee (collectively, the “2018 Construction Funds” and each a “2018 Construction Fund”). Moneys
shall be allocated between the 2018 Construction Funds in proportion to the principal amount of Series
2018 Bonds allocated for each purpose. Each 2018 Construction Fund shall be designated to reflect the
purpose, e.g., “2018 Street Construction Fund.” The amounts credited to each 2018 Construction Fund
shall be expended to accomplish the purpose for which the account was created. Issuance costs and other
expenses not specific to any one purpose shall be joint obligations to be paid from each 2018 Construction
Fund in proportion to the initial moneys credited thereto. Disbursements shall be made from each 2018
Construction Fund on the basis of requisitions which shall specify: the name of the person, firm or
corporation to whom payment is to be made; the amount of the payment; and the purpose by general
classification of the payment. Each requisition must be signed by the Finance Director or Comptroller of
the City. The Trustee shall keep records as to all payments made from the 2018 Construction Funds.

Moneys in each 2018 Construction Fund shall also be used to pay the principal of and interest on the
Series 2018 Bonds when due on a pro rata basis if moneys in the Bond Fund are not sufficient for that
purpose.

**Section 9.** Moneys held for the credit of each 2018 Construction Fund and the Cost of Issuance Fund
may be invested and reinvested in Permitted Investments (as defined in Ordinance No. 20,735) or other
investments permitted by Arkansas State Law, which shall mature, or which shall be subject to redemption
by the holder thereof, at the option of such holder, not later than the date or dates when such money will be
required for the purposes intended. The Trustee may so invest and reinvest pursuant to the direction of the
City and in the Trustee’s discretion in the absence of any direct instructions from the City.

**Section 10.** (a) The City covenants that it shall not take any action or suffer or permit any action to be
taken or condition to exist which causes or may cause the interest payable on the Series 2018 Bonds to be
included in gross income for federal income tax purposes. Without limiting the generality of the foregoing, the City covenants that the proceeds of the sale of the Series 2018 Bonds and the Special Tax Collections will not be used directly or indirectly in such manner as to cause the Series 2018 Bonds to be treated as “arbitrage bonds” within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended (the “Code”).

(b) The City represents that it has not used or permitted the use of, and covenants that it will not use or permit the use of the Street Improvements and the Drainage Improvements financed by the Series 2018 Bonds or the proceeds of the Series 2018 Bonds, in such manner as to cause the Series 2018 Bonds to be “private activity bonds” within the meaning of Section 141 of the Code. In this regard, the City covenants that (i) it will not use (directly or indirectly) the proceeds of the Series 2018 Bonds to make or finance loans to any person, and (ii) that while the Series 2018 Bonds are outstanding the Street Improvements and the Drainage Improvements financed by the Series 2018 Bonds will only be used by state and local governmental entities and by persons on a basis as members of the general public.

c) The City covenants that it will not reimburse itself from Series 2018 Bond proceeds for any costs paid prior to the date the Series 2018 Bonds are issued except in compliance with United States Treasury Regulation § 1.150-2 (the “Regulation”). This ordinance shall constitute an “official intent” within the meaning of the Regulation.

d) The City covenants that it will, in compliance with the requirements of Section 148(f) of the Code, pay with moneys in the Bond Fund to the United States Government in accordance with the requirements of Section 148(f) of the Code, from time to time, an amount equal to the sum of (1) the excess of (A) the amount earned on all Non-purpose Investments (as therein defined) attributable to the Series 2018 Bonds, other than investments attributable to such excess over (B) the amount which would have been earned if such Non-purpose Investments attributable to the Series 2018 Bonds were invested at a rate equal to the Yield (as defined in the Code) on the Series 2018 Bonds, plus (2) any income attributable to the excess described in (1), subject to the exceptions set forth in Section 148 of the Code. The City further covenants that in order to assure compliance with its covenants herein, it will employ a qualified consultant to advise the City in making the determination required to comply with this subsection (d). Anything herein to the contrary notwithstanding this provision may be modified or rescinded if in the opinion of Bond Counsel such modification or rescission will not affect the tax-exempt status of the Series 2018 Bonds for federal income tax purposes.

Section 11. The City covenants that it will take no action which would cause the Series 2018 Bonds to be “federally guaranteed” within the meaning of Section 149(b) of the Code. The City further covenants that it will submit to the Secretary of the Treasury of the United States, not later than the 15th day of the second calendar month after the close of the calendar quarter in which the Series 2018 Bonds are issued, a
statement concerning the Series 2018 Bonds which contains the information required by Section 149(e) of the Code.

Section 12. Severability. In the event any title, subtitle, section, subsection, subdivision, paragraph, subparagraph, item, sentence, clause, phrase, or work of this ordinance is declared or adjudged to be invalid or unconstitutional, such declaration or adjudication shall not affect the remaining portions of this ordinance which shall remain in full force and effect as if the portion so declared or adjudged invalid or unconstitutional was not originally a part of this ordinance.

Section 13. Repealer. All ordinances, resolutions, or parts of the same that are inconsistent with the provisions of this ordinance are hereby repealed to the extent of such inconsistency.

Section 14. Emergency Clause. It is hereby ascertained and declared that the Street Improvements and the Drainage Improvements to be financed by the Series 2018 Bonds are immediately needed for the preservation of the public peace, health and safety and to remove existing hazards thereto. Such improvements cannot be accomplished without the issuance of the Series 2018 Bonds, which cannot be sold at the interest rates specified herein unless this ordinance is immediately effective. Therefore, it is declared that an emergency exists and this ordinance being necessary for the preservation of the public peace, health and safety shall be in force and take effect immediately upon and after its passage.
