### BACKGROUND

The applicant proposes to rezone 0.16-acre property located 602 Valmar Street from R-3, Single-Family District, to PD-C, Planned Development – Commercial, to allow for the use of the property as Short-Term Rental with a maximum stay of twenty-nine (29) days. The structure will be rented as one (1)-unit, and the owner will not reside at the residence.

The request is located in the Interstate 630 Planning District, and the surrounding the application area is Residential Low Density (RL) and O-3. General Office District. The Future Land Use Plan shows Residential Low Density (RL) for the requested area.
The house is accessible by a concrete stairway that comes off of Valmar Street. In addition, the property has a concrete parking pad, located at the northeast corner of the property and on-street parking is allowed along Valmer Street. Parking should be sufficient to serve the proposed use. The Stifft Station Local Historic District is one (1)-block to the east.

On June 20, 2023 the City Board of Directors passed Ordinance No. 22,274, regulating Short-Term Rentals within the City of Little Rock. 5. Parking plan must be provided with permit application. Off-Street Standard for STRs shall be provided in accordance with Little Rock Arkansas Code, Chapter 36 36-54 (e) (1). If on-street parking is proposed as an alternative to meet the above requirements, parking must be available for guest use within 330 feet of the STR and parking plan must address neighborhood impact. If the STR is proposed within a Design Overlay District, any alternate parking requirements, as provided in Little Rock, Arkansas Rev. Code, Chapter 36. Zoning, Article V. District Regulations shall be applicable.
6. Applicants shall provide a scaled floor plan that includes all of the rooms available for rent with location of windows, doors, and smoke detectors identified. 7. All sleeping areas must have two (2) ways of egress, one of which can be an operable window.
8. Proof of homeowner's fire, hazard, and liability insurance. Liability coverage shall have limits of not less than One Million Dollars ($1,000,000.00) per occurrence.
