**Submitted By:**
Public Works Department

**SYNOPSIS**
A resolution to authorize the City Manager to execute an agreement with Central Arkansas Mitigation Bank, LLC, for Wetland Mitigations Credits, Bid No. 1006.

**FISCAL IMPACT**
The amount for purchase of Mitigation Credits is not to exceed $55,579.75. Funding for this project is from a grant thru the Delta Regional Authority, with local funds match from Pulaski County and City of Little Rock.

**RECOMMENDATION**
Approval of the resolution.

**BACKGROUND**
The City of Little Rock has secured Permit No. SWL-2019-00062 from the U.S. Army Corps of Engineers for construction of improvements extending Pratt Remmel Road and the widening of Frazier Pike, requiring the City of Little Rock to purchase Stream and Wetland Mitigation Credits from a Mitigation Bank approved by the USACE. The Central Arkansas Mitigation Bank, LLC, was the lowest, responsive, responsible bid meeting specifications of three (3) bids received for the project.
