

**OFFICE OF THE CITY MANAGER
LITTLE ROCK, ARKANSAS**

**BOARD OF DIRECTORS COMMUNICATION
OCTOBER 21, 2025 AGENDA**

Subject: A Hardware and License Agreement for GPS and in-car cameras with Samsara Inc. for City vehicles. Submitted By: Fleet Services Department	Action Required: Ordinance √ Resolution	Approved By: Delphone Hubbard City Manager
SYNOPSIS	A resolution to authorize the City Manager to enter into a Hardware and License Agreement for GPS and in-car cameras with Samsara Inc. for a four (4) year term.	
FISCAL IMPACT	The cost of this Agreement is not to exceed \$277, 436.00 per year plus a fifteen percent (15%) contingency to allow for additional units and cameras. Funds for this purchase are allocated in Fleet Parts Account # 600013-63211.	
RECOMMENDATION	Approval of the resolution.	
BACKGROUND	These Licenses will improve real time location and vehicle telematics while updating a GPS system which has become outdated. This agreement was made available through Sourcewell Contract 020221-SAM. The 15% contingency plans allows for the purchase of additional vehicles added to the City's fleet.
