**BOARD OF DIRECTORS COMMUNICATION
OCTOBER 21, 2025 AGENDA**

Subject: Riverfront Park Playground and Turf Replacement Contract with Landscape Structures, Inc.	Action Required: Ordinance √ Resolution	Approved By: Delphone Hubbard City Manager
Submitted By: Parks & Recreation Department		
SYNOPSIS	A resolution authorizing the City Manager to enter into a contract with Landscape Structures, Inc., for the removal and replacement of a playground component and synthetic turf installation at Riverfront Park.	
FISCAL IMPACT	Funding is allocated with Bond Funds, Park Facilities Upgrades, Account No. 332459-B45D018.	
RECOMMENDATION	Adoption of the Resolution.	
BACKGROUND	The Playground at Riverfront Park has years of deferred maintenance, it was deemed unsafe last fall and beyond repair. As a result, it needs to be removed for safety reasons. This project will allow us to replace the feature that citizens have been asking for and replace the damaged surface around this once highly utilized park feature. The project was quoted using Sourcewell Agreement #010521 & #010721 through LSI.
