

**OFFICE OF THE CITY MANAGER
LITTLE ROCK, ARKANSAS**

**BOARD OF DIRECTORS COMMUNICATION
NOVEMBER 4, 2025, AGENDA**

Subject: To Utilize Arkansas Department of Transportation bids for purchase of Asphalt Concrete Hot Mix materials for the Public Works Department. Submitted By: Public Works Department	Action Required: Ordinance √ Resolution	Approved By: Delphone Hubbard City Manager
SYNOPSIS	Resolution authorizing the City Manager to utilize Redstone Construction Group, Inc. and McGeorge Contracting Company, Inc. D/B/A Cranford Construction Company from the Arkansas Department of Transportation active list of suppliers and bid prices for the purchase of Asphalt Concrete Hot Mix materials. This will be utilized for pothole patching and street surface repairs in an amount not to exceed \$300,000.00.	
FISCAL IMPACT	Funds are available in Public Works Department account: Streets & Drainage Maintenance #204003 - 61020.	
RECOMMENDATION	Adopt the Resolution.	
BACKGROUND	The Public Works Department utilizes Asphalt Concrete Hot Mix materials for the purpose of pothole patching and street surface repairs on a daily basis. The Arkansas Department of Transportation (ARDOT) bids Asphalt Concrete Hot Mix materials multiple times each year due to fluctuations in prices and keeps an active list of suppliers and bid prices which includes Redstone Construction Group, Inc. and McGeorge Contracting Company, Inc. D/B/A Cranford Construction Company who provide a local source for these materials.
