PUBLIC HEARINGS (Item 14)

14.  RESOLUTION: S-1809-A: To rescind the Little Rock Planning Commission’s action in denying a variance request for The Breeding Addition Preliminary Plat, located at 7718 Henderson Road, Pulaski County, Arkansas; and for other purposes.  

Planning Commission: 5 ayes; 5 nays; and 1 absent.  Staff recommends approval.

Synopsis: Debbie Breeding, the property owner, is appealing the Planning Commission’s denial of a variance request from the Subdivision Ordinance to allow the creation of two (2) lots which includes a variance from the Subdivision Ordinance to allow an increased lot depth to width ratio. (Located in the City’s Extraterritorial Jurisdiction)

Mayor Stodola opened the public hearing and asked if there were individuals present that wished to speak for or against the item.

Harrison Kemp, 221 West 2nd Street: Stated that he represented the owners, Gary & Debbie Breeding, and they were seeking approval to subdivide their five (5)-acre lot on Henderson Road into two (2) equal lots. Mr. Kemp stated that due to the fact that the
lots were three (3) times deeper than they were wide, the owners were seeking a variance from the restrictions of lots that size. Mr. Kemp stated that there were several people that spoke in opposition at the Planning Commission regarding the proposed variance; however, most of the concerns raised were not due to the substance of the proposed variance. Mr. Kemp stated that the tract of land was unique in shape with the short side fronting on Henderson Road. Mr. Kemp stated that both lots were in excess of 150 feet wide and 100,000 square-feet, and as a result, the strict width-to-depth ratio deprived the owners of reasonable use of the property.

Karen Goss, 5608 Mandan Road: Stated that her parents lived on Henderson Road and if the owners were allowed to split their property, most likely everyone else in the area would decide to split their property, leading to a traffic neighborhood.

Steve Harrison, 7824 Henderson Road: Stated that the lot in question was located very close to the road and recently there had been gunfire/target practice on the property and he did not think it was safe.

Donna McHenry, 8100 Henderson Lane: Stated that the neighborhood was rural setting; however, there were approximately twenty (20) homes. Ms. McHenry stated that there had been a target range set up on the property and the owners used the range for target practice. Ms. McHenry stated that the neighbors tried to talk to the owner’s children regarding their concerns and they were told that they could fire their guns whenever they wanted.

Ray Hawley, 7413 Henderson Road: Stated that he had lived on Henderson Road for thirty-one (31) years and over the years they neighbors had relied on the zoning to protect their neighborhood.

Heide Theroux, 7722 Henderson Road: Stated that she agreed with everything that the previous speakers had mentioned and asked that the Board deny the appeal.

Michael Craig, 8200 Henderson Lane: Stated that he was a hunter; however, he had issues with the owner’s utilizing the property as a target range.

Mr. Kemp stated that the width-to-depth ratio was the only thing that was to be considered and asked that the Board vote to approve the appeal of the Planning Commission’s vote.

Mayor Stodola closed the public hearing.

Due to the fact that there was not a motion made, the resolution failed.
