

1 shall be for demand-response service vehicles, not scheduled or routed
2 service vehicles, and any vehicle used by a Transportation Network
3 Company Driver. It is further provided that for the time period when
4 TNC drivers have logged on to the TNC digital network or software
5 application indicating they are available to receive ride requests until
6 such time as the TNC driver accepts such a request, the TNC driver must
7 be covered by insurance at least in the amount set forth in Arkansas Code
8 27-22-104. These requirements for coverage shall be satisfied by either
9 (A) insurance maintained by a TNC driver; (B) insurance maintained by
10 a TNC in the event the insurance maintained by the TNC driver does not
11 provide coverage, or the TNC driver does not otherwise maintain
12 insurance covering this time period; or (3) any combination of (A) and
13 (B).

14 **Section 2. Severability.** In the event any section, subsection, subdivision, paragraph, subparagraph,
15 item, sentence, clause, phrase or word of this ordinance is declared or adjudged to be invalid or
16 unconstitutional, such declaration or adjudication shall not affect the remaining provisions of this ordinance
17 which shall remain in full force and effect as if the portion so declared or adjudged invalid or
18 unconstitutional was not originally a part of this ordinance.

19 **Section 3. Repealer.** All ordinances and resolutions inconsistent with this ordinance are hereby
20 repealed to the extent of such inconsistency, including but not limited to Little Rock, Ark., Ordinance No.
21 20,956 (November 18, 2014).

22 **Section 4. Emergency Clause.** It is essential to the public health, safety, and welfare, to assure that
23 all regulations for the operation of public transportation are in effect at the same time; because the initial
24 ordinance on transportation network companies was passed prior to this amendment to address a technical
25 insurance issue, it is important to assure that this provision take effect on the same date as the general
26 ordinance on such services; an emergency is, therefore, declared to exist and this ordinance shall be in full
27 force and effect from the date that Little Rock, Ark., Ordinance No. 20,956 (November 19, 2014) is in full
28 force and effect.
