*Term Bonds

The Bonds shall be dated the date of their delivery to the Purchaser and shall be issuable only as fully registered bonds, without coupons, in the denomination of Five Thousand Dollars ($5,000.00) or any integral multiple thereof. Unless the City shall otherwise direct, the Bonds shall be numbered from R-1 upward in order of issuance. Each Bond shall be assigned a CUSIP Number.

The Bonds shall be registered initially in the name of Cede & Co., as nominee for the Depository Trust Company ("DTC"), which shall be considered to be the registered owner of the Bonds for all purposes under this Ordinance, including, without limitation, payment by the City of principal of, redemption price, premium, if any, and interest on the Bonds, and receipt of notices and exercise of rights of registered owners. There shall be one certificated, typewritten Bond for each stated maturity date which shall be immobilized in the custody of or on behalf of DTC with the beneficial owners having no right to receive the Bonds in the form of physical securities or certificates. DTC and its participants shall be responsible for maintenance of records of the ownership of beneficial interests in the Bonds by book-entry on the system maintained and operated by DTC and its participants, and transfers of ownership of beneficial interests shall be made only by DTC and its participants, by book-entry, the City having no responsibility therefor. DTC is expected to maintain records of the positions of participants in the Bonds, and the participants and persons acting through participants are expected to maintain records of the purchasers of beneficial interests in the Bonds. The Bonds as such shall not be transferable or exchangeable, except for transfer to another securities depository or to another nominee of a securities depository, without further action by the City.

If any securities depository determines not to continue to act as a securities depository for the Bonds for use in a book-entry system, the City may establish a Securities Depository/Book-Entry System relationship with another securities depository. If the City does not or is unable to do so, or upon request of the beneficial owners of all outstanding Bonds, the City and the Trustee (hereinafter identified), after the Trustee has made provision for notification of the beneficial owners by the then securities depository, shall
permit withdrawal of the Bonds from the securities depository, and authenticate and deliver Bond
certificates in fully registered form (in denominations of Five Thousand Dollars ($5,000.00) or integral
multiples thereof) to the assigns of the securities depository or its nominee, all at the cost and expense
(including costs of printing definitive Bonds) of the City, if the City fails to maintain a securities
depository/book-entry system, or of the beneficial owners, if they request termination of the system.

Prior to issuance of the Bonds, the City shall have executed and delivered to DTC a written agreement
(the "Representation Letter") setting forth (or incorporating therein by reference) certain undertakings and
responsibilities of the City with respect to the Bonds so long as the Bonds or a portion thereof are registered
in the name of Cede & Co. (or a substitute nominee) and held by DTC. Notwithstanding such execution
and delivery of the Representation Letter, the terms thereof shall not in any way limit the provisions of this
Section or in any other way impose upon the City any obligation whatsoever with respect to persons having
interests in the Bonds other than the registered owners, as shown on the registration books kept by the
Trustee. The Trustee shall take all action necessary for all representations of the City in the Representation
Letter with respect to the Trustee to at all times be complied with.

The authorized Officers of the Trustee and the City shall do or perform such acts and execute all such
certificates, documents and other instruments as they or any of them deem necessary or advisable to
facilitate the efficient use of a securities depository for all or any portion of the Bonds; provided that neither
the Trustee nor the City may assume any obligations to such securities depository or beneficial owners of
Bonds that are inconsistent with their obligations to any registered owner under this ordinance.

Interest on the Bonds shall be payable on June 1, 2018, and semiannually thereafter on June 1st and
December 1st of each year. Payment of each installment of interest shall be made to the person in whose
name the Bond is registered on the registration books of the City maintained by First Security Bank, Searcy,
Arkansas, as trustee and paying agent (the "Trustee"), at the close of business on the fifteenth day of the
month (whether or not a business day) next preceding each interest payment date (the "Record Date"),
irrespective of any transfer or exchange of any such bond subsequent to such Record Date and prior to such
interest payment date, by check or draft mailed by the Trustee to such owner at his address on such
registration books. Principal of the Bonds shall be payable at the Corporate Trust Office of the Trustee.

Each Bond shall bear interest from the payment date next preceding the date on which it is authenticated
unless it is authenticated on an interest payment date, in which event it shall bear interest from such date,
or unless it is authenticated prior to the first interest payment date, in which event it shall bear interest from
its dated date, or unless it is authenticated during the period from the Record Date to the next interest
payment date, in which case it shall bear interest from such interest payment date, or unless at the time of
authentication thereof interest is in default thereon, in which event it shall bear interest from the date to
which interest has been paid.
Only such Bonds as shall have endorsed thereon a Certificate of Authentication substantially in the form set forth in Section 9 hereof (the "Certificate") duly executed by the Trustee shall be entitled to any right or benefit under this Ordinance. No Bond shall be valid and obligatory for any purpose unless and until the Certificate shall have been duly executed by the Trustee, and the Certificate upon any such Bond shall be conclusive evidence that such Bond has been authenticated and delivered under this Ordinance. The Certificate on any Bond shall be deemed to have been executed if signed by an authorized officer of the Trustee, but it shall not be necessary that the same officer sign the Certificate on all of the Bonds.

In case any Bond shall become mutilated or be destroyed or lost, the City shall, if not then prohibited by law, cause to be executed and the Trustee may authenticate and deliver a new Bond of like date, number, maturity and tenor in exchange and substitution for and upon cancellation of such mutilated Bond, or in lieu of and in substitution for such Bond destroyed or lost, upon the owner paying the reasonable expenses and charges of the City and Trustee in connection therewith, and, in the case of a Bond destroyed or lost, his filing with the Trustee evidence satisfactory to it that such Bond was destroyed or lost, and of his ownership thereof, and furnishing the City and Trustee with indemnity satisfactory to them. The Trustee is hereby authorized to authenticate any such new Bond. In the event any such Bond shall have matured, instead of issuing a new Bond, the City may pay the same without the surrender thereof. Upon the issuance of a new Bond under this Section, the City may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

The City shall keep, or cause to be kept, books for the registration and for the transfer of the Bonds as provided herein and in the Bonds. The Trustee shall act as the Bond Registrar. Each Bond is transferable by the registered owner thereof or by his attorney duly authorized in writing at the principal office of the Trustee. Upon such transfer a new fully registered Bond or Bonds of the same maturity, of authorized denomination or denominations, for the same aggregate principal amount will be issued to the transferee in exchange therefor.

No charge shall be made to any owner of any Bond for the privilege of transfer or exchange, but any owner of any Bond requesting any such transfer or exchange shall pay any tax or other governmental charge required to be paid with respect thereto. Except as otherwise provided in the immediately preceding sentence, the cost of preparing each new Bond upon each exchange or transfer and any other expenses of the City or the Trustee incurred in connection therewith shall be paid by the City. Neither the Trustee nor the City shall be required to transfer or exchange any Bonds selected for redemption in whole or in part.

The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of or on account of the principal or premium, if any, or interest of any Bond shall be made only to or upon the order of the registered owner thereof or his legal representative, but such registration may be changed as hereinabove provided. All such payments shall be
valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so
paid.

In any case where the date of maturity of interest on or principal of the Bonds or the date fixed for
redemption of any Bonds shall be a Saturday or Sunday or shall be in the State a legal holiday or a day on
which banking institutions are authorized by law to close, then payment of interest or principal (and
premium, if any) need not be made on such date but may be made on the next succeeding business day with
the same force and effect as if made on the date of maturity or the date fixed for redemption, and no interest
shall accrue for the period after the date of maturity or date fixed for redemption.

Section 8. The Bonds shall be executed on behalf of the City by the Mayor and City Clerk and shall
have impressed or imprinted thereon the seal of the City. The Bonds, together with interest thereon, are
secured by a pledge of Net Revenues (as hereinafter defined). Revenues of the Port include revenues
derived from the use of Port facilities including particularly, without limitation, revenue derived from rates
and charges imposed and maintained for the use of the Port facilities and lease rentals under leases or
payments under security agreements or other instruments entered into pursuant to Title 14, Chapter 186,
Subchapter 3 of the Arkansas Code of 1987 Annotated ("Port Revenues"). There is specifically excluded
from "Port Revenues" revenues derived from the operation of the Authority's industrial park at the Port;
provided, however, that any terminal, railroad and riverfront charges to customers located in the Authority’s
industrial park are specifically included in Port Revenues. "Net Port Revenues" means gross Port Revenues
less the amounts required to pay the costs of operation, maintenance and repair, including all expense items
properly attributable to the operation and maintenance of the Port in accordance with generally accepted
accounting principles, excluding depreciation and interest expenses. Net Port Revenues are hereby pledged
and mortgaged for the equal and ratable payment of the Bonds. Notwithstanding anything herein to the
contrary, nothing shall prohibit the City or the Authority from using other revenues or moneys of the
Authority (excluding any moneys derived from taxes) to pay the principal of and interest on the Bonds.

The Bonds shall not constitute an indebtedness of the City within any constitutional or statutory
limitation.

Section 9. The Bonds shall be in substantially the following form and the Mayor and City Clerk are
hereby expressly authorized and directed to make all recitals contained therein:(Form of Bond)

Failure to mail an appropriate notice or any such notice to one or more registered owners of Bonds to be redeemed shall not affect the validity of the proceedings for redemption of other Bonds as to which notice of redemption is duly given in proper and timely fashion. All such Bonds or portions thereof thus called for redemption and for the retirement of which funds are duly provided in accordance with the Authorizing Ordinance prior to the date fixed for redemption will cease to bear interest on such redemption date.

Section 10. The Treasurer of the Authority shall be custodian of all Port Revenues. All Port Revenues
shall be deposited by him or her in such depository or depositories for the Authority as designated herein;
subject, however, to the giving of security as now or hereafter may be required by law, and provided that
such depository or depositories shall hold membership in the Federal Deposit Insurance Corporation
("FDIC") or any successor entity. All deposits shall be in the name of the Authority and shall be so
designated as to indicate the particular fund to which the Port Revenues belong. Any deposit in excess of
the amount insured by the FDIC shall be secured by direct or fully guaranteed obligations of the United
States of America or other securities authorized by State law to secure public deposits, unless invested as
herein authorized.

Section 11. All Port Revenues shall be deposited into a special fund hereby created and designated
"Port Revenue Fund," in a bank selected by the City or the Authority. Moneys in the Port Revenue Fund
shall be applied to the payment of the reasonable and necessary expenses of operation, repair and
maintenance of the Port, to the payment of principal of and interest on the Bonds, to the maintenance of
debt service reserves at required levels, and otherwise as described herein.

Section 12.

(a) After setting aside in the Port Revenue Fund an amount sufficient to pay the reasonable and
necessary expenses of operation, repair and maintenance of the Port for such month, there shall be
transferred on the first business day of each month from the Port Revenue Fund into a special fund hereby
created and designated "Port Revenue Bond Fund, Series 2017" (the "Bond Fund") in a bank selected by
the City or the Authority, the sums in the amounts and at the times described below.

(b) There shall be paid into the Bond Fund until all outstanding Bonds, with interest thereon, have
been paid in full or provision made for such payment, on the first business day of each month, a sum equal
to 1/6 of the next installment of interest plus 1/12 of the installment of principal due during the then next
twelve months (either at maturity or in accordance with any mandatory redemption provisions) on all
outstanding Bonds, plus an amount sufficient to provide for Trustee's fees, on all outstanding Bonds;
provided, however, that approximately level payments shall be made for the interest payment due on June
1, 2018, and for the principal payment due December 1, 2018. The City shall receive a credit against
monthly payments from the Port Revenue Fund from all interest earnings on moneys in the Bond Fund and
transfers into the Bond Fund derived from interest earnings on the Debt Service Reserve.

(c) There is established and shall be maintained within the Bond Fund a debt service reserve (the
"Debt Service Reserve") funded with Bond proceeds in an amount equal to maximum annual principal and
interest requirements on the Bonds (the "Required Level"). If the Debt Service Reserve becomes impaired
or reduced below the Required Level, the deficiency shall be cured by making additional monthly payments
into the Bond Fund equal to 1/12 of the deficiency until the impairment or reduction is corrected.

(d) If for any reason there shall be a deficiency in the payments required into the Bond Fund on
the first business day of any month, there shall be transferred into the Bond Fund other revenues or moneys
of the Authority (excluding any moneys derived from taxes) in an amount necessary to cure such deficiency.
If such other revenues or moneys are insufficient to cure such deficiency, the amount of such deficiency in
the payment shall be added to the amount otherwise required to be paid into the Bond Fund on the first
business day of the next month.

(e) If for any reason there shall be a deficiency in the payments made into the Bond Fund so that
there are unavailable sufficient moneys therein to pay the principal of and interest on the Bonds as the same
become due, the Debt Service Reserve shall be used to the extent necessary to pay such principal and
interest.

(f) If a surplus shall exist in the Bond Fund over and above the amount required for making all
principal and interest payments during the next succeeding twelve month period and in excess of the
Required Level of the Debt Service Reserve, such surplus shall be applied, at the direction of the Authority,
to the payment of the principal of and interest on the Bonds that may be called for redemption prior to maturity or shall be deposited into the Port Revenue Fund. Otherwise, moneys in the Bond Fund shall be used solely for the payment of principal, premium, if any, and interest on the Bonds, Trustee's fees and otherwise as described herein.

(g) The Treasurer of the Authority shall withdraw from the Bond Fund and deposit with the Trustee at least one business day before the due date of any Bond or interest payable therefrom, at maturity or redemption prior to maturity, an amount equal to the amount of such Bond or interest payment for the sole purpose of paying the same, together with the Trustee's fee.

(h) The Bonds shall be specifically secured by a pledge of all Net Port Revenues. This pledge in favor of the Bonds is hereby irrevocably made according to the terms of this ordinance, and the City and the Authority and their officers and employees shall execute, perform and carry out the terms hereof in strict conformity with the provisions of this ordinance.

Section 13. Any surplus in the Port Revenue Fund, after setting aside the monthly amount necessary to pay the expenses of operation, repair and maintenance of the Port and after making the required monthly deposit into the Bond Fund, may be used for any lawful purpose of the Port, as approved by the Authority.

Section 14. It is hereby covenanted and agreed by the City with the owners of the Bonds that the City and the Authority will faithfully and punctually perform all duties with reference to the Port required by the Constitution and laws of the State and by this ordinance, including the segregating of the Net Port Revenues pledged hereby and the applying of the Port Revenues to the respective funds created hereby.

Section 15. The City will cause the Authority to keep proper books of accounts and records (separate from all other records and accounts) in which complete and correct entries shall be made of all transactions relating to the operation of the Port, and such books shall be available for inspection by the registered owner of any of the Bonds at reasonable times and under reasonable circumstances. The City agrees that the Authority will have these records audited by an independent certified public accountant not in the regular employ of the City that is selected by the Authority ("Accountant") at least once each year, which audit may be a part of the annual audit of the financial records of the City, and a copy of the audit shall be delivered to the Trustee and made available to registered owners requesting the same in writing. In the event that the Authority fails or refuses to make the audit, the Trustee or any registered owner of the Bonds may have the audit made, and the cost thereof shall be charged against the Port Revenue Fund.

Section 16. The City covenants that it will cause the Authority to maintain the Port in good condition and operate the same in an efficient manner and at reasonable cost. While any of the Bonds are outstanding, the City agrees that, to the extent that comparable protection is not otherwise provided to the satisfaction of the Trustee, it will cause the Authority to keep the properties of the Port insured against loss or damage, in an amount and against such risks as are usually insured against in connection with similar facilities and undertakings as the Port. The City further covenants, to the extent comparable protection is not otherwise
provided to the satisfaction of the Trustee, that it will cause the Authority to maintain adequate fidelity
insurance or bonds on all officers or employees responsible for handling funds of the Port. All insurance
required by this Ordinance (unless comparable protection is provided) shall be effected with reputable
insurance companies selected by the Authority, which usually insure risks similar in nature and monetary
exposure. Satisfactory evidence of insurance is to be placed in the custody of the Trustee. In the event of
loss, the proceeds of such insurance shall be applied solely toward the reconstruction, replacement or repair
of the Port, and in such event the City will, with reasonable promptness, cause to be commenced and
completed the reconstruction, replacement and repair work. If such proceeds are more than sufficient for
such purposes, the balance remaining shall be deposited to the credit of the Port Revenue Fund, and if such
proceeds shall be insufficient for such purposes the deficiency shall be supplied from surplus moneys in the
Port Revenue Fund. Notwithstanding the foregoing, the restrictions and covenants of the City in this
Section 16 shall not apply to properties or facilities located in the industrial park operated by the Authority,
other than the railroad and other rail improvements.

Section 17. So long as any of the Bonds are outstanding, the City shall not mortgage, pledge or
otherwise encumber the Port, or any part thereof essential to the proper operation of the Port or to the
maintenance of Port Revenues. The City will not create, or permit the creation of, any pledge, lien, charge
or encumbrance upon the Net Port Revenues except as permitted hereby. The City will not sell or otherwise
dispose of all or any substantial portion of the Port. Nothing in this Section 17 shall be construed to prohibit
the City from leasing its properties or from disposing of worn out or obsolete properties or from disposing
of properties not being used and not useful in the operation of the Port, provided that all revenues derived
from the disposition of such properties shall be deposited in the Port Revenue Fund. Notwithstanding the
foregoing, the covenants of the City in this Section 17 shall not apply to properties or facilities located in
the industrial park operated by the Authority, other than the railroad and other rail improvements.

Section 18.

(a) So long as any Bonds are outstanding, the City shall not issue or attempt to issue any bonds
claimed to be entitled to a priority of lien on Net Port Revenues over the lien securing the Bonds.

(b) The City reserves the right to issue additional bonds, to finance or refinance the cost of any
extensions, betterments or improvements to the Port secured by a pledge of Net Port Revenues ranking,
with respect to Net Port Revenues, on a parity with the Bonds, provided that there shall have been procured
and filed with the Trustee a statement by an Accountant reciting the opinion, based upon necessary
investigation, that Net Port Revenues for the fiscal year immediately preceding the fiscal year in which it
is proposed to issue such additional bonds shall equal not less than 125% of the maximum annual principal
and interest requirements on all the then outstanding bonds secured by a pledge of Net Port Revenues, and
the additional bonds then proposed to be issued.
(c) The City may also issue additional bonds to finance or refinance the cost of any extensions, betterments or improvements to the Port secured by a lien on and pledge of Net Port Revenues that are subordinate to the lien and pledge in favor of the Bonds.

(d) Nothing shall prohibit the City from issuing bonds or incurring indebtedness secured by revenues of the Port that are not Port Revenues (as defined in Section 8 hereof).

Section 19.

(a) Moneys held for the credit of the Bond Fund (excluding the Debt Service Reserve therein) shall be continuously invested and reinvested by the City in Eligible Investments, all of which shall mature, or which shall be subject to redemption by the holder thereof, at the option of such holder, not later than the payment date for interest or principal and interest on the Bonds.

(b) Moneys held for the credit of the Debt Service Reserve shall be invested and reinvested by the City in Eligible Investments which shall mature, or which shall be subject to redemption by the holder thereof, at the option of such holder, not later than five years after the date of investment or the final maturity date of the Bonds, whichever is earlier.

(c) Moneys held for the credit of any other fund shall be continuously invested and reinvested by the City in Eligible Investments, which shall mature, or which shall be subject to redemption by the holder thereof, at the option of such holder, not later than the date or dates when the moneys held for the credit of the particular fund will be required for purposes intended.

(d) "Eligible Investments" means any of the securities that are at the time legal for investment of City funds pursuant to Resolution No. 12,520 of the City.

(e) Obligations so purchased as an investment of moneys in any fund shall be deemed at all times to be a part of such fund and the interest accruing thereon and any profit realized from such investments shall be credited to such fund, and any loss resulting from such investment shall be charged to such fund.

(f) Moneys so invested in Government Securities or in certificates of deposit of banks to the extent insured by FDIC, need not be secured by the depository bank or banks.

(g) Investments of moneys in all funds shall be valued in terms of current market value as of the last day of each year, except that direct obligations of the United States (State and Local Government Series) in book-entry form shall be continuously valued at par or face principal amount.

Section 20. The Bonds shall be subject to redemption prior to maturity in accordance with the terms set out in the bond form.

Section 21. Any Bond shall be deemed to be paid within the meaning of this ordinance when payment of the principal of and interest on such Bond (whether at maturity or upon redemption as provided herein, or otherwise), either (i) shall have been made or caused to be made in accordance with the terms thereof, or (ii) shall have been provided for by irrevocably depositing with the Trustee, in trust and irrevocably set aside exclusively for such payment (1) cash sufficient to make such payment and/or (2) direct obligations
of (including obligations issued or held in book entry form on the books of) the Department of the Treasury
of the United States of America ("Investment Securities"), maturing as to principal and interest in such
amounts and at such times as will provide sufficient moneys to make such payment, and all necessary and
proper fees, compensation and expenses of the Trustee shall have been paid or the payment thereof provided
for to the satisfaction of the Trustee.

On the payment of any Bonds within the meaning of this ordinance, the Trustee shall hold in trust, for
the benefit of the owners of such Bonds, all such moneys and/or Investment Securities.

When all the Bonds shall have been paid within the meaning of this ordinance, and if the Trustee has
been paid its fees and expenses, the Trustee shall take all appropriate action to cause (i) the pledge and lien
of this ordinance to be discharged and cancelled, and (ii) all moneys held by it pursuant to this ordinance
and which are not required for the payment of such Bonds to be paid over or delivered to or at the direction
of the City. In determining the sufficiency of the deposit of Investment Securities there shall be considered
the principal amount of such Investment Securities and interest to be earned thereon until the maturity of
such Investment Securities.

Section 22. If there be any default in the payment of the principal of or interest on any of the Bonds,
or if the City defaults in any Bond Fund requirement or in the performance of any of the other covenants
contained in this ordinance, the Trustee may, and upon the written request of the registered owners of not
less than 10% in principal amount of the then outstanding Bonds, shall, by proper suit, compel the
performance of the duties of the officials of the City under State law. And in the case of a default in the
payment of the principal of and interest on any of the Bonds, the Trustee may and upon written request of
the registered owners of not less than 10% in principal amount of the then outstanding Bonds, shall apply
in a proper action to a court of competent jurisdiction for the appointment of a receiver to administer the
Port on behalf of the Authority and the registered owners of the Bonds with power to charge and collect (or
by mandatory injunction or otherwise to cause to be charged and collected) rates sufficient to provide for
the payment of the expenses of operation, maintenance and repair and to pay any Bonds and interest
outstanding and to apply Port Revenues in conformity with State law and with this Ordinance. When all
defaults in principal and interest payments have been cured, the custody and operation of the Port shall
revert to the Authority.

No registered owner of any of the outstanding Bonds shall have any right to institute any suit, action,
mandamus or other proceeding in equity or at law for the protection or enforcement of any power or right
unless such owner previously shall have given to the Trustee written notice of the default on account of
which such suit, action or proceeding is to be taken, and unless the registered owners of not less than 10%
in principal amount of the Bonds then outstanding shall have made written request of the Trustee after the
right to exercise such power or right of action, as the case may be, shall have accrued, and shall have
afforded the Trustee a reasonable opportunity either to proceed to exercise the powers granted to the
Trustee, or to institute such action, suit or proceeding in its name, and unless, also, there shall have been offered to the Trustee reasonable security and indemnity against the costs, expenses and liabilities to be incurred therein or thereby and the Trustee shall have refused or neglected to comply with such request within a reasonable time. Such notification, request and offer of indemnity are, at the option of the Trustee, conditions precedent to the execution of any remedy. No one or more registered owners of the Bonds shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security of this Ordinance, or to enforce any right thereunder except in the manner herein described. All proceedings at law or in equity shall be instituted, had and maintained in the manner herein described and for the benefit of all registered owners of the outstanding Bonds.

No remedy conferred upon or reserved to the Trustee or to the registered owners of the Bonds is intended to be exclusive of any other remedy or remedies, and every such remedy shall be cumulative and shall be in addition to every other remedy given under this ordinance or by law.

The Trustee may, and upon the written request of the registered owners of not less than 50% in principal amount of the Bonds then outstanding shall, waive any default which shall have been remedied before the entry of final judgment or decree in any suit, action or proceeding instituted under the provisions of this ordinance or before the completion of the enforcement of any other remedy, but no such waiver shall extend to or affect any other existing or any subsequent default or defaults or impair any rights or remedies consequent thereon.

All rights of action under this ordinance or under any of the Bonds enforceable by the Trustee, may be enforced by it without the possession of any of the Bonds, and any such suit, action or proceeding instituted by the Trustee shall be brought in its name for the benefit of all the registered owners of such Bonds, subject to the provisions of this ordinance.

No delay or omission of the Trustee or of any registered owners of the Bonds to exercise any right or power accrued upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein; and every power and remedy given by this ordinance to the Trustee and to the registered owners of the Bonds, respectively, may be exercised from time to time and as often as may be deemed expedient.

In any proceeding in which any plaintiff bondholder prevails to enforce the provisions of this ordinance, such plaintiff Bondholder shall be entitled to recover from the City all costs of such proceeding, including reasonable attorneys' fees.

Section 23.
(a) The terms of this ordinance shall constitute a contract between the City and the registered owners of the Bonds and no variation or change in the undertaking herein set forth shall be made while any of the Bonds are outstanding, except as hereinafter set forth in subsections (b) and (c).
(b) The Trustee may consent to any variation or change in this ordinance to cure any ambiguity, defect or omission in this ordinance or any amendment hereto or any other change that the Trustee determines is not to the material prejudice of the Bondholders or the Trustee without the consent of the owners of the outstanding Bonds.

(c) The owners of not less than 75% in aggregate principal amount of the Bonds then outstanding shall have the right, from time to time, anything contained in this ordinance to the contrary notwithstanding, to consent to and approve the adoption by the City of such ordinance supplemental hereto as shall be necessary or desirable for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in this ordinance or in any supplemental ordinance; provided, however, that nothing contained in this Section shall permit or be construed as permitting (a) an extension of the maturity of the principal of or the interest on any Bond, or (b) a reduction in the principal amount of any Bond or the rate of interest thereon, or (c) the creation of a lien or pledge superior to the lien and pledge created by this ordinance, or (d) a privilege or priority of any Bond or Bonds over any other Bond or Bonds, or (e) a reduction in the aggregate principal amount of the Bonds required for consent to such supplemental ordinance.

Section 24. When the Bonds have been executed and sealed as herein provided, they shall be delivered to the Trustee, which shall authenticate them and deliver them to or at the direction of the Purchaser upon payment of the Purchase Price. The amount necessary to be deposited into the Debt Service Reserve as set forth in the delivery instructions to the Trustee signed by the Mayor and City Clerk (the "Delivery Instructions") shall be deposited therein. The expenses of issuing the Bonds shall be deposited into a special account of the City created with the Trustee and designated "2017 Cost of Issuance Fund" (the "Cost of Issuance Fund"). Moneys in the Cost of Issuance Fund shall be expended as directed in the Delivery Instructions or in requisitions with any amount remaining on January 31, 2018, to be transferred to the Construction Fund identified below. Disbursements from the Cost of Issuance Fund on the basis of requisitions shall specify: the name of the person, firm or corporation to whom payment is to be made; the amount of the payment; the purpose of the payment; and that the payment is a proper charge upon the Cost of Issuance Fund. Each requisition must be signed by the Executive Director or such other person or persons designated by the Authority. The Trustee shall issue its check upon the Cost of Issuance Fund to the person, firm or corporation designated in the requisition. The Trustee shall keep records as to all payments made from the Cost of Issuance Fund.

The balance of the Purchase Price shall be deposited in a special account of the City in the Trustee hereby created and designated "Port Authority Construction Fund, Series 2017" (the "Construction Fund"). The amounts credited to the Construction Fund shall be expended to accomplish the Improvements, to pay expenses incidental thereto and to pay expenses of issuing the Bonds. Disbursements shall be made from the Construction Fund on the basis of requisitions which shall specify: the name of the person, firm or
corporation to whom payment is to be made; the amount of the payment; the purpose of the payment; and 
that the payment is a proper charge on the Construction Fund. Each requisition must be signed by the 
Executive Director or such other person or persons designated by the Authority. The Trustee shall issue its 
check upon the Construction Fund to the person, firm or corporation designated in the requisition. The 
Trustee shall keep records as to all payments made from the Construction Fund.

Moneys in the Construction Fund shall also be used to pay the principal of and interest on the Bonds 
when due if moneys in the Bond Fund are not sufficient for that purpose.

When all required expenses have been paid and expenditures made from the Construction Fund for and 
in connection with the accomplishment of the Improvements and the financing thereof, this fact shall, if 
moneys remain in the Construction Fund, be evidenced by a certificate signed by the Executive Director, 
which certificate shall state, among other things, that all obligations payable from the Construction Fund 
have been discharged. A copy of the certificate shall be filed with the Trustee, and upon receipt thereof the 
Trustee shall transfer any remaining balance to the Bond Fund.

Section 25. The Trustee shall only be responsible for the exercise of good faith and reasonable 
prudence in the execution of its trust. The recitals in this ordinance and in the face of the Bonds are the 
recitals of the City and not of the Trustee. The Trustee shall not be required to take any action as Trustee 
unless it shall have been requested to do so in writing by the registered owners of not less than 10% in 
principal amount of the Bonds then outstanding and shall have been offered reasonable security and 
indemnity against the costs, expenses and liabilities to be incurred therein or thereby. The Trustee may 
resign at any time by sixty (60) days' notice in writing to the City Clerk and to the registered owners of the 
Bonds, and the majority in value of the registered owners of the outstanding Bonds or the City, if it is not 
in default hereunder, at any time, with or without cause, may remove the Trustee. In the event of a vacancy 
in the office of Trustee, either by resignation or by removal, the City shall appoint a new Trustee, such 
appointment to be evidenced by a written instrument or instruments filed with the City Clerk. The original 
Trustee and any successor Trustee shall file a written acceptance and agreement to execute the trust imposed 
upon it or them by this ordinance, but only upon the terms and conditions set forth in this ordinance and 
subject to the provisions of this ordinance, to all of which the respective registered owners of the Bonds 
agree. Such written acceptance shall be filed with the City Clerk and a copy thereof shall be placed in the 
Bond transcript. Every successor Trustee shall be a trust company or bank duly authorized to exercise trust 
powers and subject to examination by federal or state authority, having a reported capital and surplus of not 
less than Ten Million Dollars ($10,000,000.00). Any successor Trustee shall have all the powers herein 
granted to the original Trustee. The Trustee's resignation shall not become effective until the acceptance 
of the trusts by the successor trustee.

Section 26. In the event the office of Mayor, City Clerk, Authority, Executive Director, Authority 
Treasurer or Board of Directors shall be abolished, or any two or more of such offices shall be merged or
consolidated, or in the event the duties of a particular office shall be transferred to another office or Officer,
or in the event of a vacancy in any such office by reason of death, resignation, removal from office or
otherwise, or in the event any such officer shall become incapable of performing the duties of his office by
reason of sickness, absence from the City or otherwise, all powers conferred and all obligations and duties
imposed upon such office or officer shall be performed by the office or officer succeeding to the principal
functions thereof, or by the office or officer upon whom such powers, obligations and duties shall be
imposed by law.

So long as the Port is under the control of the Authority, performance by the Authority of any obligation
of the City hereunder shall be deemed performance by the City.

Section 27. Severability. In the event any title, subtitle, section, subsection, subdivision, paragraph,
paragraph, item, sentence, clause, phrase, or work of this ordinance is declared or adjudged to be invalid
or unconstitutional, such declaration or adjudication shall not affect the remaining portions of the ordinance
which shall remain in full force and effect as if the portion so declared or adjudged invalid or
unconstitutional was not originally a part of this ordinance.

Section 28. Repealer. All ordinances, resolutions, or parts of the same that are inconsistent with the
provisions of this ordinance are hereby repealed to the extent of such inconsistency.

Section 29. Emergency Clause. It is hereby ascertained and declared that the Improvements are
immediately needed for the preservation of the public peace, health and safety and to remove existing
hazards thereto. The Improvements cannot be accomplished without the issuance of the Bonds, which
cannot be sold at the interest rates specified herein unless this ordinance is immediately effective.
Therefore, it is declared that an emergency exists and this ordinance being necessary for the preservation
of the public peace, health and safety shall be in force and take effect immediately upon and after its
passage.
