This bond may be prepaid at the option of the City from funds from any source, in whole but not in part, at any time on and after April 15, 2030, at a prepayment price equal to the principal amount outstanding, plus accrued interest to the prepayment date. Such notice shall be in writing mailed to the address of the owner of this bond or registered assigns at the address as reflected on the bond registration books of the City Clerk.

This bond does not constitute an indebtedness of the City within any constitutional or statutory limitation or provision, and the taxing power of the City is not pledged to the payment of the principal or interest on this bond. This bond is a special obligation payable solely from the net revenues derived from the operation of the System. In this regard, the pledge of net System revenues is subordinate to the

1 pledge of System revenues to Sewer Revenue Bonds, Series 2007B, 2009A, 2012, 2013 and 2016, Sewer  
2 Refunding Revenue Bonds, Series 2011, 2014, 2015 and 2016B and Water Reclamation System Revenue

4 System revenues to pay principal and interest has been duly set aside and pledged as a special fund for  
5 that purpose, identified as the "2020 ADFA Bond Fund," in the Authorizing Ordinance. The City has  
6 fixed and has covenanted and agreed to maintain rates for use of the System which shall be sufficient at

8 the System, provide for the payment of the principal of and interest on all the outstanding bonds to which  
9 System revenues are pledged as the same become due, to establish and maintain debt service reserves and

11 intent that the laws of the State shall govern its construction.

12 IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things

14 in the issuance of this bond do exist, have happened and have been performed in regular and due time,  
15 form and manner as required by law; that this bond does not exceed any constitutional or statutory  
16 limitation of indebtedness; and that provision has been made for the payment of the principal of and  
17 interest on this bond, as provided in the Authorizing Ordinance.

18 IN WITNESS WHEREOF, the City of Little Rock, Arkansas has caused this bond to be executed in  
19 its name by its Mayor and City Clerk, thereunto duly authorized, and its corporate seal to be affixed, all as

30 **Section 7.** The City has heretofore fixed sewer rates by Ordinance No. 21,080, adopted on August 4,  
31 2015. Reference is hereby made to such ordinance for the details thereof and other provisions pertaining  
32 thereto, which sewer rates are hereby confirmed and continued as provided therein.

33 The City covenants and agrees that the rates established will produce Gross Revenues at least  
34 sufficient to pay monthly operation, maintenance and funded depreciation expenses of the System, pay  
35 the principal of and interest on all outstanding bonds and notes to which Revenues are pledged

1 (collectively, "System Bonds"), as the same become due, pay the financing, servicing and administrative  
2 fees in connection therewith as the same become due, and create and maintain any required debt service  
3 reserves ("Required Payments"). The City covenants always to maintain rates (including increases as  
4 necessary) which will provide for the Required Payments. The rates in effect for sewer service at this  
5 time shall not be reduced without the prior written consent of ANRC and the Bondholder.

6 None of the facilities or services afforded by the System shall be furnished without a charge being  
7 made therefor. In the event that the City or any department, agency or instrumentality thereof shall avail  
8 itself of the facilities and services afforded by the System, the reasonable value of the service or facilities  
9 so afforded shall be charged against the City or such department, agency or instrumentality and shall be  
10 paid for as the charges accrue. The revenues so received shall be deemed to be revenues derived from the  
11 operation of the System and shall be used and accounted for in the same manner as the other revenues  
12 derived from the operation of the System.

13 **Section 8.** All of the provisions of the 2007B Ordinance, the 2009A Ordinance, the 2011 Ordinance,  
14 the 2012 Ordinance, the 2013 Ordinance, the 2014 Ordinance, the 2015 Ordinance, the 2016A Ordinance,  
15 the 2016B Ordinance, the 2017 Ordinance the 2018 Ordinance and the 2019 Ordinance (the "Prior Bond

17 provisions clearly inapplicable hereto, including, without limitation, the provisions pertaining to the  
18 collection, the investment and the handling of Revenues and funds, and to the operation, maintenance and  
19 care of the System, are hereby made applicable hereto and are incorporated herein by reference as though  
20 fully set forth at this point. The effect of the above covenant shall be to continue the applicable  
21 provisions in full force and effect even after the payment of the Prior Bonds and until the bond is paid, or  
22 provision made therefor.

23 **Section 9.** The City covenants that it will continuously operate the System as a revenue-producing  
24 undertaking and will not sell or lease the same, or any substantial portion thereof, without the prior  
25 written approval of the Bondholder and ANRC; provided, however, that nothing herein shall be construed  
26 to prohibit the City from making such dispositions of properties of the System and such replacements and  
27 substitutions for properties of the System as shall be necessary or incidental to the efficient operation of  
28 the System as a revenue-producing undertaking.

29 **Section 10.** (a) After making the required payments into the special fund heretofore created and  
30 designated "Sewer Operation and Maintenance Fund" and into the bond funds for the Prior Bonds and any  
31 additional bonds having a priority on the pledge of Revenues over the pledge in favor of the bond and  
32 after paying the financing, servicing and administrative fees in connection with the Prior Bonds, there  
33 shall be paid from the special fund heretofore created and designated "Sewer Fund" into an account of the  
34 City in a special fund to be created by the Bondholder (the "2020 ADFA Bond Fund") for the purpose of  
35 paying the principal of and interest on the bond the amounts specified in (b) below.

1 (b) There shall be deposited from proceeds of the bond or, at the direction of the Commission, from  
2 moneys in the Sewer Fund, into the 2020 ADFA Bond Fund on the first April 15<sup>th</sup> or October 15<sup>th</sup> after  
3 the bond is issued and on each April 15<sup>th</sup> and October 15<sup>th</sup> thereafter until October 15, 2023, the interest  
4 due on the bond on such dates. Commencing on the first business day of each month thereafter, there shall  
5 be deposited from moneys in the Sewer Fund into the 2020 ADFA Bond Fund an amount equal to 1/6 of  
6 the amount of interest on and principal of the bond next due.

7 (c) If Revenues are insufficient to make the required payment on or before the first business day of  
8 the following month into the 2020 ADFA Bond Fund, then the amount of any such deficiency in the  
9 payment made shall be added to the amount otherwise required to be paid into the 2020 ADFA Bond  
10 Fund on the first business day of the next month.

11 (d) When the moneys held in the 2020 ADFA Bond Fund which represent payments by the City and  
12 interest earnings thereon or proceeds of investments therefrom (collectively, "City Funds") shall be and  
13 remain sufficient to pay in full the principal of and interest on the bond, the City shall not be obligated to  
14 make any further payments into the 2020 ADFA Bond Fund.

15 (e) All moneys in the 2020 ADFA Bond Fund representing City Funds shall be used solely for the  
16 purpose of paying the principal of and interest on the bond and the City shall automatically receive a  
17 credit for the amount of such City Funds on hand in the 2020 ADFA Bond Fund and available for the  
18 payment of any principal and interest currently due on an interest or principal payment date irrespective  
19 of whether the Bondholder has applied or caused to be applied such funds on that date for such purpose.  
20 The City shall receive a credit for all earnings and income derived from the investment of the City Funds  
21 each April 15<sup>th</sup> and October 15<sup>th</sup> and such earnings and income shall be credited against the next six (6)  
22 monthly payments.

23 (f) The bond shall be specifically secured by a pledge of all Revenues required to be placed into the  
24 2020 ADFA Bond Fund. This pledge in favor of the bond is hereby irrevocably made according to the  
25 terms of this Ordinance, and the City and its officers and employees shall execute, perform and carry out  
26 the terms thereof in strict conformity with the provisions of this Ordinance.

27 **Section 11.** After making the payments into the 2020 ADFA Bond Fund required by Section 10  
28 hereof, there shall be paid from the Sewer Fund the Servicing Fee to the Authority. The Servicing Fee  
29 shall be payable on each date interest on the bond is due and shall be calculated on the same basis as  
30 interest on the bond. The payment of the Servicing Fee is expressly made subordinate to the payment of  
31 the principal of and interest on the bond.

32 **Section 12.** After making the required payments in accordance with Sections 10 and 11 hereof, there  
33 shall be paid from the Sewer Fund into a special fund heretofore created and designated the "Sewer  
34 Depreciation Fund" on or before the 15th day of each month while the bond is outstanding, three percent  
35 (3%) of the Revenues which remain after the required payment into the Sewer Operation and

1 Maintenance Fund has been made. Once the Sewer Depreciation Fund reaches an amount equal to the  
2 greater of (a) the amount required by the Prior Bond Ordinances or (b) One Million, Eight Hundred  
3 Thousand Dollars (\$1,800,000) (the "Required Level"), the City shall not be required to make further  
4 deposits into the Sewer Depreciation Fund; provided, however, that monthly deposits must resume, if the  
5 Sewer Depreciation Fund drops below the Required Level, until such time as the Required Level is again  
6 reached. The moneys in the Sewer Depreciation Fund shall be used solely for the purpose of paying the  
7 cost of replacements made necessary by the depreciation of the System. If in any fiscal year a surplus  
8 shall be accumulated in the Sewer Depreciation Fund over and above the Required Level and over and  
9 above the amount necessary to defray the cost of the probable replacements during the then current fiscal  
10 year and the next ensuing fiscal year, such surplus may be transferred and paid into the Sewer Fund.

11 **Section 13.** The City shall assure that (1) not in excess of 10% of the proceeds of the bond is used for  
12 Private Business Use if, in addition, the payment of more than 10% of the principal or 10% of the interest  
13 due on the bond during the term thereof is, under the terms of the bond or any underlying arrangement,  
14 directly or indirectly secured by any interest in property used or to be used for a Private Business Use or  
15 in payments in respect of property used or to be used for a Private Business Use or is to be derived from  
16 payments, whether or not to the City, in respect of property or borrowed moneys used or to be used for a  
17 Private Business Use; and (2) that, in the event that both (A) in excess of 5% of the proceeds of the bond  
18 are used for a Private Business Use, and (B) an amount in excess of 5% of the principal or 5% of the  
19 interest due on the bond during the term thereof is, under the terms of the bond or any underlying  
20 arrangement, directly or indirectly, secured by any interest in property used or to be used for said Private  
21 Business Use or in payments in respect of property used or to be used for said Private Business Use or is  
22 to be derived from payments, whether or not to the City, in respect of property or borrowed money used  
23 or to be used for said Private Business Use, then said excess over said 5% of proceeds of the bond used  
24 for a Private Business Use shall be used for a Private Business Use related to the governmental use of the  
25 Improvements.

26 The City shall assure that not in excess of 5% of the proceeds of the bond are used, directly or  
27 indirectly, to make or finance a loan to persons other than state or local governmental units.

28 As used in this Section, "Private Business Use" means use directly or indirectly in a trade or business  
29 carried on by a natural person or in any activity carried on by a person other than a natural person,  
30 excluding, however, use by a State or Local Governmental unit and use as a member of the general  
31 public.

32 **Section 14.** The principal and interest installments shall be prepayable prior to maturity as provided  
33 in the bond form in Section 6 hereof.

34 **Section 15.** As long as the bond is outstanding, the City shall not issue or attempt to issue any bonds  
35 having or claimed to be entitled to a priority of lien on Revenues over the lien securing the bond,

1 including any and all future extensions, betterments and improvements to the System except as provided  
2 in this Section.

3 The City may issue additional revenue bonds having a priority on or on a parity with the lien on  
4 Revenues in favor of the bond to finance or pay the cost of constructing betterments and improvements to  
5 the System or to refund outstanding System Bonds, if there shall have been procured and filed with the  
6 City Clerk and the Bondholder a statement by a certified public accountant not in the regular employ of  
7 the City (the "Accountant") reciting the opinion that (i) in the case of parity bonds either (A) the Net  
8 Revenues (Net Revenues being gross Revenues less operation and maintenance expenses, but not  
9 including depreciation) for the fiscal year preceding the year in which such additional bonds are to be  
10 issued were not less than 110% of Total Annual Debt Service Requirements (Total Annual Debt Service  
11 Requirements being the average annual debt service requirements (including principal, interest and  
12 financing, servicing and administrative fees) on all outstanding System Bonds and the bonds then  
13 proposed to be issued) or (B) the Net Revenues for the fiscal year succeeding the year in which such  
14 additional bonds are to be issued are projected to be sufficient in amount, taking in consideration any  
15 enacted increase in Revenues, to be not less than 110% of the Total Annual Debt Service Requirements,  
16 or (ii) in the case of the senior lien bonds, either (A) the Net Revenues for the fiscal year preceding the  
17 year in which such additional bonds are to be issued were not less than 120% of the Total Annual Debt  
18 Service Requirements or (B) the Net Revenues for the fiscal year succeeding the year in which such  
19 additional bonds are to be issued are projected to be sufficient in amount, taking into consideration any  
20 enacted increase in Revenues, to be not less than 120% of the Total Annual Debt Service Requirements.

21 The additional bonds, the issuance of which is restricted and conditioned by this Section, shall not be  
22 deemed to mean bonds the security and source of payment of which are subordinate and subject to the  
23 priority of the bond and such additional bonds may be issued without complying with the terms and  
24 conditions of this Section.

25 Section 16. It is covenanted and agreed by the City with the Bondholder, the Authority and ANRC  
26 that it will faithfully and punctually perform all duties with reference to the System required by the  
27 Constitution and laws of the State and by this ordinance, including, without limitation, the making and  
28 collecting of reasonable and sufficient rates lawfully established for services rendered by the System,  
29 segregating Revenues and applying them to the respective funds maintained pursuant to the Prior Bond  
30 Ordinances and this ordinance.

31 The City covenants and agrees that the Bondholder shall have the protection of all the provisions of  
32 the Authorizing Legislation, and that the City will diligently proceed to enforce those provisions to the  
33 end of the Bondholder realizing fully upon its security. And, if the City shall fail to proceed within 30  
34 days after written request shall have been filed by the Bondholder, the Bondholder may proceed to  
35 enforce all such provisions.

1 If there be any default in the payment of the principal of or interest on the bond, or if the City defaults  
2 in any 2020 ADFA Bond Fund requirement or in the performance of any of the other covenants contained  
3 in this ordinance, the Bondholder may, by proper suit, compel the performance of the duties of the  
4 officials of the City under the laws of the State. In the case of a default in the payment of the principal of  
5 and interest on the bond, the Bondholder may apply in a proper action to a court of competent jurisdiction  
6 for the appointment of a receiver to administer the System on behalf of the City and the Bondholder with  
7 power to charge and collect (or by mandatory injunction or otherwise to cause to be charged and  
8 collected) rates sufficient to provide for the payment of the expenses of operation, repair and maintenance  
9 and to pay the bond and interest outstanding and to apply Revenues in conformity with this ordinance.  
10 When all defaults in principal and interest payments have been cured, the custody and operation of the  
11 System shall revert to the City. No remedy herein conferred upon or reserved to the Bondholder is  
12 intended to be exclusive of any other remedy or remedies herein provided or provided by law, and every  
13 such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or given  
14 by law. No delay or omission of the Bondholder to exercise any right or power accrued upon any default  
15 shall impair any such right or power or shall be construed to be a waiver of any default or an acquiescence  
16 therein; and every power and remedy given by this ordinance to the Bondholder may be exercised from  
17 time to time and as often as may be deemed expedient.

18 No waiver of any default shall extend to or affect any other existing or any subsequent default or  
19 defaults or impair any rights or remedies consequent thereon. Any costs of enforcement of the bond or of  
20 any provision of this Ordinance, including reasonable attorney's fees, shall be paid by the City. The  
21 Authority may enforce all rights and exercise all remedies available to the Bondholder in the event the  
22 Servicing Fee is not paid when due.

23 **Section 17.** When the bond has been executed and sealed as herein provided, it shall be delivered to  
24 the Bondholder upon payment of all or a portion of the purchase price in accordance with the Agreement.  
25 Sale proceeds in the amount necessary to make all or a portion of the semiannual interest and Servicing  
26 Fee payments due on each April 15<sup>th</sup> and October 15<sup>th</sup> to and including October 15, 2023, shall be  
27 applied, unless otherwise directed by the Commission, to the payment of Servicing Fees and interest on  
28 the bond on such dates. The balance of the sale proceeds shall be deposited, as and when received, in an  
29 account of the City heretofore created and now designated as the "Little Rock Water Reclamation  
30 Authority Construction Fund" (the "Construction Fund"). The proceeds of the bond in the Construction  
31 Fund shall be used for directly paying, or reimbursing the City for, the costs paid in accomplishing the  
32 Improvements, expenses incidental thereto and the expenses of issuing the bond approved in accordance  
33 with the Agreement. Payments from the Construction Fund shall be by check or voucher signed by either  
34 the CEO or such other person or persons designated by the Commission, and drawn on the depository.  
35 Each such check or voucher shall briefly specify the purpose of the expenditure.

1       **Section 18.** The terms of this ordinance shall constitute a contract among the City, the Bondholder  
2 and ANRC and no variation or change in the undertaking herein set forth shall be made while the bond is  
3 outstanding unless consented to in writing by the Bondholder and ANRC.

4       **Section 19.** The Commission will keep proper records, books and accounts relating to the operation  
5 of the System, which shall be kept separate from all other records and accounts of the City, in which  
6 complete and correct entries shall be made of all transactions relating to the operation of the System in  
7 accordance with generally accepted government accounting standards. Such books shall be available for  
8 inspection by the Bondholder and ANRC, or the agent or the representative of either, at reasonable times  
9 and under reasonable circumstances. The City agrees to have these records audited by an Accountant  
10 selected by the Commission at least once each year.

11       In the event the Commission fails or refuses to furnish or cause such reports to be furnished, the  
12 Bondholder may have the reports made, and the cost thereof shall be charged against the Sewer Operation  
13 and Maintenance Fund.

14       **Section 20.** The City covenants and agrees that it will maintain the System in good condition and  
15 operate it in an efficient manner and at reasonable cost. While the bond is outstanding, the City agrees  
16 that it will insure, and at all times keep insured, in the amount of the actual value thereof, in a responsible  
17 insurance company or companies selected by the Commission and authorized and qualified under the  
18 laws of the State to assume the risk thereof, all above-ground structures of the System against loss or  
19 damage thereto from fire, lightning, tornado, winds, riot, strike, civil commotion, malicious damage,  
20 explosion, and against loss or damage from any other causes customarily insured against in connection  
21 with similar facilities and undertakings as the System. In the event of loss, the proceeds of such insurance  
22 shall be applied solely toward the reconstruction, replacement or repair of the System, and in such event  
23 the City will, with reasonable promptness, cause to be commenced and completed the reconstruction,  
24 replacement and repair work. If such proceeds are more than sufficient for such purposes, the balance  
25 remaining shall be deposited to the credit of the Sewer Fund, and if such proceeds shall be insufficient for  
26 such purposes, the deficiency shall be supplied, first, from moneys in the Sewer Depreciation Fund,  
27 second, from moneys in the Sewer Operation and Maintenance Fund, and third, from available moneys in  
28 the Sewer Fund. Nothing herein shall be construed as requiring the City to expend any funds for  
29 reconstruction, replacement or repair of the System or for operation and maintenance of the System or for  
30 premiums on its insurance which are derived from sources other than insurance proceeds or Revenues, but  
31 nothing herein shall be construed as preventing the City from doing so.

32       **Section 21.** The City agrees that the Bondholder may pledge the bond as security for the ADFA  
33 Bonds, and the ADFA Trustee and/or the municipal bond insurer for the ADFA Bonds may exercise any  
34 rights and remedies available to the Bondholder under this Ordinance or the Agreement while the bond is  
35 pledged and/or the ADFA Bonds are insured. In addition, the City agrees that while the bond is pledged

1 and/or the ADFA Bonds are insured, copies of all financial information shall be furnished to the ADFA  
2 Trustee and/or the municipal bond insurer.

3 **Section 22.** In the event the offices of Mayor, City Clerk, CEO, Board of Directors, or Commission  
4 shall be abolished, or any two or more of such offices shall be merged or consolidated, or in the event the  
5 duties of a particular office shall be transferred to another office or officer, or in the event of a vacancy in  
6 any such office by reason of death, resignation, removal from office, or otherwise, or in the event any  
7 such officer shall become incapable of performing the duties of his office by reason of sickness, absence  
8 from the City, or otherwise, all powers conferred and all obligations and duties imposed upon such office  
9 or officer shall be performed by the office or officer succeeding to the principal function thereof, or by the  
10 office or officer upon whom such powers, obligations, and duties shall be imposed by law.

11 **Section 23.** It is understood and agreed that the Commission, acting for and on behalf of the City, has  
12 custody of and control over the System, operates, maintains and repairs the System and collects and  
13 handles Revenues. Therefore, it is understood and agreed that even though there are some express  
14 references to the Commission, all references herein to the City shall, when appropriate in view of the  
15 authority and responsibility of the Commission, be construed to mean and include the Commission. So  
16 long as the Commission operates the System for the City, performance by the Commission of any right or  
17 obligation of the City hereunder shall be deemed performance by the City. The Commission presently  
18 consists of Chris Marsh, Ganelle Holman, Debbie Shock, Schawnee Hightower, Lauren Ward, Richard L.  
19 Mays, Jr. and Bill Flowers.

20 **Section 24.** The requirements of Ordinance No. 15,249, as they may relate to the authorization and  
21 sale of the bond, are hereby waived.

22 **Section 25.** Reference in this ordinance to "Bondholder" shall include the original Bondholder or any  
23 registered assign thereof.

24 **Section 26. Severability.** In the event any title, section, paragraph, item, sentence, clause, phrase, or  
25 word of this ordinance is declared or adjudged to be invalid or unconstitutional, such declaration or  
26 adjudication shall not affect the remaining portions of the ordinance which shall remain in full force and  
27 effect as if the portion so declared or adjudged invalid or unconstitutional was not originally a part of the  
28 ordinance.

29 **Section 27. Repealer.** All laws, ordinances, resolutions, or parts of the same, that are inconsistent  
30 with the provisions of this ordinance, are hereby repealed to the extent of such inconsistency.
