**RECOMMENDATION**

**BACKGROUND**

The City operates a Self-Funded Workers’ Compensation Program, and in order to ensure proper processing of claims a Third-Party Administrator is utilized. In 2018, after a careful review of response to a formal bid process the recommendation to accept the proposal of Risk Management Resources for seven (7), one (1)-year terms was adopted in Ordinance No. 14, 741. On March 2, 2021, the Board of Directors adopted Resolution No. 15,402 to authorize the City Manager to extend the existing contract with Risk Management Resources to provide Third-Party Administration Services for the City’s Self-Funded Workers’ Compensation Program at a rate of $72,000.00 per year.
| BACKGROUND CONTINUED | The term of that contract will expire on March 31, 2022, this renewal, which is from April 1, 2022, to March 31, 2023, and represents year four (4) of a potential seven (7)-year term. |
