ORDINANCE NO. ____________

AN ORDINANCE TO GRANT A FRANCHISE TO OCCUPY PUBLIC RIGHTS-OF-WAY; TO LOCATE PUBLIC SCULPTURE AND OTHER WORKS OF ART WITHIN SUCH RIGHTS-OF-WAY AND PROVIDE FOR ACCESS TO AND MAINTENANCE AND UPKEEP OF SAID PUBLIC SCULPTURES AND ART WORKS AND THE PUBLIC RIGHTS-OF-WAY AND OTHER IMPROVEMENTS LOCATED THEREIN; TO SET FORTH THE TERMS AND CONDITIONS FOR THE USE OF SUCH RIGHTS-OF-WAY; AND FOR OTHER PURPOSES.

WHEREAS, Deltic Timber Corporation (“Deltic”) has, commencing in 1989, maintained and improved the medians and shoulders of certain public rights-of-way generally referred to as Chenal Parkway, Rahling Road and Chenonceau Boulevard, all as more particularly described in Exhibit A attached hereto and made a part hereof (the “Public Right-of-Way”); and,

WHEREAS, Deltic and the “Sculpture at the River Market, Inc.” (the “Foundation”) desire to enter into certain agreements with the City of Little Rock, Arkansas (the “City”) for the purpose of locating one (1) or more pieces of public sculpture and art in or near the Public Right-of-Way and jointly desire to obtain from the City permission to locate such public sculptures, as appropriate, within the designated Public Right-of-Way, and to access the Sculpture Sites, as defined herein, as necessary and appropriate, through, across or over the Public Right-of-Way for the purpose of maintaining, protecting and securing the sculptures located therein; and,

WHEREAS, it is important to set forth and confirm with the City the terms and conditions for use of the Public Right-of-Way pursuant to a Franchise Agreement by and among the City, Deltic and the Foundation, all as more particularly set forth hereinafter;

NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF DIRECTORS OF THE CITY OF LITTLE ROCK, ARKANSAS, AS FOLLOWS:

Section 1. Authority to Execute Franchise. In consideration of Deltic’s agreements to maintain the Public Right-of-Way and the Foundation’s agreement to donate the public sculptures and works of art to the City, the Mayor, City Manager and City Clerk are authorized to take all steps necessary to execute a Franchise Agreement in substantially the form set forth within this Ordinance, as approved by the City Attorney, with Deltic and the Foundation, as their interests appear herein, to allow access to and from the Public Right-of-Way for the purposes of locating therein certain Sculpture Sites, as more particularly
defined in Exhibit B attached hereto and made a part hereof; to erect, install, construct and place one or more pieces of public sculpture for the benefit of the Public, and to further provide for continuing maintenance, upkeep, and security for the Sculpture Sites, the Sculptures, and landscaping located in the Public Right-of-Way, generally.

Section 3. Basic Grant of Franchise.

(a) There is hereby granted an exclusive license to construct, maintain, install, erect and locate the Sculptures, as more particularly defined in the Agreement or subsequent amendments to the Agreement, along, across, upon, over or under any Public Right-of-Way, as defined herein, for the purpose of enhancing the quality of life and public enjoyment of art by citizens, inhabitants, visitors to the City and other travelers on the Public Right-of-Way, and to provide for the ongoing maintenance, upkeep, mowing, planting, tree
and plant installation and removal, Sculpture Site construction and development, and all other actions necessary and appropriate to the fulfillment of the purposes of this ordinance and this Agreement, for the term of this Agreement, subject to the terms and conditions of this Agreement.

(b) The grant of this Agreement by the City shall not convey title, equitable or legal, in the Public Right-of-Way, and shall give only the right to occupy, access, cross and otherwise use the Public Right-of-Way, for the purposes and for the periods stated in this Agreement. This Agreement does not:

(1) grant the right to use other property or improvements owned or controlled by the City or a third party, without the consent of such party;
(2) grant the authority to construct, maintain or operate any improvement or related appurtenance on property owned by the City outside of the Public Right-of-Way, specifically including, but not limited to park land property, City Hall property, and appellate court facility property; or
(3) excuse Grantee from attaining appropriate access or access agreements before locating Sculpture, Sculpture Sites, or Sculpture and Sculpture Sites in the Public Right-of-Way owned or controlled by the City and not covered by this Agreement.

(c) As a condition of this grant, Grantee is required to obtain any necessary permit, license, certification, grant, registration or any other authorization required by an appropriate governmental entity other than the City. Grantee shall also comply with all applicable laws, statutes and/or City regulations including, but not limited to, those relating to the construction and use of the Public Right-of-Way encompassed by this Ordinance and the Agreement;

(d) The authority granted herein includes the continuing maintenance, upkeep, mowing, planting, pruning, tree and plant installation and removal and other actions necessary to the ongoing maintenance of the entire Public Right-of-Way, by Deltic.

Section 4. Use of Public Right-of-Way.

(a) Grantee shall have the right to construct, maintain, operate and secure its Facilities along, across, upon, over and under the Public Right-of-Way. Such Facilities shall also be constructed and maintained as not to obstruct or hinder the usual travel or public safety on any public ways or obstruct the legal use by other third parties.

(b) Grantee’s use of the Public Right-of-Way shall always be subject and subordinate to the reasonable public health, safety and welfare requirements and regulations of the City. Grantee shall be subject to all applicable laws and statutes, and/or rules, regulations, policies, resolutions, and ordinances adopted by the City, relating to the construction and use of the Public Right-of-Way except as provided in this Agreement.

(c) Further, Grantee shall comply with the following:
(1) Grantee's use of the Public Right-of-Way shall in all matters be subordinate to the City's use or occupation of the Public Right-of-Way. Without limitation of its rights, the City expressly reserves the right to exercise its governmental powers now and hereafter vested or granted in the City. Grantee shall coordinate the installation of its Facilities in the Public Right-of-Way in a manner which minimizes adverse impact on public improvements, as reasonably determined by the City. Where installation is not otherwise regulated, the Facilities shall be placed with adequate clearance from such public improvements so as not to impact or be impacted by such public improvement as defined in the City's Engineering Design Standards and Construction Specifications.

(2) All earth, materials, sidewalks, paving, crossings, utilities, public improvements, or improvements of any kind located within the Public Right-of-Way damaged or removed by Grantee in its activities under this Agreement shall be fully repaired or replaced promptly by Grantee without cost to the City to the reasonable satisfaction of the City; however, when such activity is a joint project of utilities or Grantee, the expenses thereof shall be prorated among the participants, and to the reasonable satisfaction of the City in accordance with the ordinances and regulations of the City pertaining thereto. Nothing in this Ordinance or the Agreement shall require Grantee to repair or replace any materials, trees, flowers, shrubs, landscaping or structures that interfere with Grantee's access to any of its Facilities located in the Public Right-of-Way or an adjacent utility easement. Any excavation, back filling, repair and restoration, and all other work performed in the Public Right-of-Way shall be done in conformance with the City's Engineering Design Standards and Construction Specifications, as promulgated by the City Engineer. The City Engineer has the authority to inspect the repair or replacement of the damage, and if necessary, to require Grantee to do the additional necessary work. At the time of any inspection, the City Engineer may order the immediate cessation of any work, which poses a serious threat to the life, health, safety, or wellbeing of the public. Notice of the unsatisfactory restoration and the deficiencies found will be provided to Grantee and a reasonable time not to exceed 30 days will be provided to allow for the deficiencies to be corrected.

(3) Except in the event of an emergency, as reasonably determined by Grantee, Grantee shall comply with all laws, rules, regulations, policies, resolutions, or ordinances now or hereinafter adopted or promulgated by the City relating to any construction, reconstruction, repair, or relocation of Facilities which would require any street closure which reduces traffic flow. Notwithstanding the foregoing exception, all work, including emergency
work performed in the traveled way or which in any way impacts vehicular or pedestrian
traffic, shall be properly signed, barricaded, and otherwise protected.

(4) Grantee shall maintain and file with the City updated maps, in such form as may be required
by the City Engineer, providing the location and sufficient detail of all existing and new
Facilities in the Public Right-of-way, and such other related information as may be
reasonably required by the City Engineer of all users of the Public Rights-of-Way. Such
maps shall be updated and kept current with the City.

(5) Grantee shall be responsible for its costs that are directly associated with its installation,
maintenance, repair, operation, use, and replacement of its Facilities within the Public
Right-of-Way. Grantee shall be responsible for its own costs incurred removing or relocat-
ing its Facilities when required by the City due to City requirements relating to mainte-
nance and use of the Public Right-of-Way for government purposes.

(6) Grantee shall take adequate measures to protect and defend its Facilities in the Public
Right-of-Way from harm or damage. If Grantee fails to accurately locate Facilities when
requested, it shall have no claim for costs or damages against the City.

(7) At a minimum, and without limitation, Grantee shall comply with all building and zoning
codes currently or hereafter in force in the City.

(8) Grantee shall comply with all technical and zoning standards governing construction, re-
construction, installation, operation, testing, use, maintenance, and dismantling of the Fa-
cilities in the Public Right-of-Way, as required by present and future Federal, State, and
City laws and regulations.

Section 5. Indemnity and Hold Harmless Requirements.

(a) The City shall rely upon local government immunity for any negligence actions that may arise as a
result of this franchise; if, and only if, local government immunity is deemed not to be available by a court
of last resort, then the following provisions shall apply.

(b) Grantee shall indemnify, defend and hold harmless (the “Indemnifying Party”), the City, its
directors, officers, employees, representatives and members, partners, trustees and affiliates (collectively,
the “Indemnified Party”) from and against any and all costs, liabilities, losses and expenses (including, but
not limited to, reasonable attorneys’ fees) resulting from any claim, demand, suit, action, judgment, loss or
proceeding brought against the Indemnified Party for:

(1) Personal injury and death;

(2) Damage to any personal or real property; or

(3) Any unauthorized use of the Facilities of the Indemnified Party.
If the Grantee and the City are found jointly liable by a court of competent jurisdiction, liability shall be apportioned comparatively in accordance with the laws of the State of Arkansas without, however, waiving any governmental immunity available to the City under State law and without waiving any defenses of the parties under State or Federal law.

(c) During any construction phase, Grantee shall have in place commercial, general liability and automobile liability insurance in amounts acceptable to the City.

Section 6. Reservation of Rights. In entering into the Agreement, neither the City’s nor Grantee’s present or future legal rights, positions, claims, assertions or arguments before any administrative agency or court of law are in any way prejudiced or waived. By entering into this Agreement, neither the City nor Grantee waive any rights, but instead expressly reserve any and all rights, remedies and arguments the City or Grantee may have at law or equity, without limitation, to argue, assert, and/or take any position as to the legality or appropriateness of any present or future laws, non-franchise ordinances and/or rulings.

Section 7. Failure to Enforce. The failure by either the City or the Grantee to insist in any one or more incidences upon the strict performance of any one or more of the terms or provisions of this Agreement shall not be construed as a waiver or relinquishment for the future of any term or provision, and the same shall continue in full force and effect. No waiver or relinquishment shall be deemed to have been made by the City or the Grantee unless said waiver or relinquishment is in writing and signed by both the City and the Grantee.

Section 8. Term and Termination.

(a) This Agreement shall be effective for an initial term of fifty (50) years from the effective date of this Agreement. Thereafter, the Agreement will renew for additional ten (10)-year terms, unless either party notifies the other party of its intent to terminate or renegotiate the Agreement at least 180 days before the termination of the then current term. The additional term shall be deemed a continuation of this Agreement and not as a new franchise or amendment.

(b) Upon written request of either the City or the Grantee, this Agreement shall be renegotiated at any time in accordance with the requirements of State law upon any of the following events: changes in Federal, State or local laws, regulations or orders that materially affect any rights or obligations of either the City or the Grantee.

(c) In any event the parties are actively negotiating in good faith a new agreement or an amendment to this Agreement on the termination date of this Agreement, the parties by written mutual agreement may extend the termination date of this Agreement to allow for further negotiations. Such extension period shall be deemed a continuation of this Agreement and not as a new franchise license or amendment.

(d) Notwithstanding any other provision of this Agreement, neither the City nor the Grantee shall have the right to terminate this Agreement for the purpose of removing any piece of Sculpture from within the
designated Public Right-of-Way and relocating it to a location outside of the designated Public Right-of-Way, provided, however, by mutual agreement, the parties hereto may relocate any Sculpture to another mutually agreed upon Sculpture Site within the designated Public Right-of-Way, subject to compliance with all other terms and conditions of this Agreement.

Section 9. Point of Contact and Notices. Grantee shall at all times maintain with the City a local point of contact who shall be available at all times to act on behalf of the Grantee in event of an emergency. Grantee shall provide the City with said local contact’s name, address, telephone number, fax number and email address. Emergency notice of Grantee to the City may be made by telephone to the City Clerk or the Public Works Department Director. All other notices between and among the parties shall be in writing and shall be made by personal delivery, depositing such notice in the U.S. Mail, Certified Mail, return receipt requested or facsimile. Any notice served by U.S. Mail or Certified Mail, return receipt requested, shall be deemed delivered five (5) calendar days after the date of such deposit in the U.S. Mail unless otherwise provided. Any notice given by facsimile is deemed received by the next business day. “Business Day” for purposes of this section shall mean Monday through Friday, City and/or Grantee-observed holidays excepted.

between the City and Grantee subject to the provisions of the laws of the State of Arkansas, and such
contract shall be deemed effective on the date Grantee files acceptance with the City.

Section 12. Force Majeure. Each and every provision hereof shall be reasonably subject to acts of
God, fires, strikes, riots, floods, war and other disasters beyond Grantee’s or the City’s control.

Section 13. Severability. In the event any section, subsection, subdivision, paragraph or subparagraph,
item, sentence, clause, phrase or word of this ordinance is declared or judged to be invalid or
unconstitutional, such a declaration or adjudication shall not affect the remaining provisions of this
Ordinance, as if such invalid or unconstitutional provision were not originally a part of this ordinance.

ordinance are hereby repealed to the extent of such inconsistency.
