<b>BACKGROUND</b>	A 2012 3/8-Cent project to construct and maintain new drainage improvements was initiated by the Little Rock Public Works Department. By approval of Resolution No. 13,527 on July 3, 2012, the Little Rock Board of Directors authorized the acquisition of certain easements in order to access areas of drainage facility construction and to maintain the drainage improvements. An amendment to Resolution No. 13,527 is requested to clarify that the Mayor is authorized to acquire permanent construction easements, and the City Manager is authorized to acquire temporary construction easements.
