Moore City Manager</p>
SYNOPSIS	Approval of an amendment to Ordinance No. 21,993 to increase the amount of the first extension of the contract with Motorola Solutions, Inc.	
FISCAL IMPACT	Increase amount from \$151,513.28 to \$199,235.29. Funds for this purchase are allocated in the Emergency Communications 911 Fund, Account No. 220512.	
RECOMMENDATION	Approval of the resolution.	
BACKGROUND	The Department of Emergency Communications successfully utilized the Maintenance Plan in the contract for the Radio Infrastructure System which includes maintenance on dispatch center consoles, Mach Alert hardware, microwave links, and the radio IP logger. When exercising the option to extend the contract, it was determined that it was necessary to upgrade the Service Agreement which resulted in a higher cost than allowed by Ordinance No. 21,993.
