ORDINANCE NO. ____________

AN ORDINANCE TO DISPENSE WITH COMPETITIVE QUOTES DUE TO AN EXCEPTIONAL SITUATION; TO AWARD AN AGREEMENT FOR A COMMUNICATIONS CENTER AUDIT BY THE ASSOCIATION OF PUBLIC SAFETY COMMUNICATIONS OFFICIALS, INTERNATIONAL, IN THE AMOUNT OF TWENTY-TWO THOUSAND, ONE HUNDRED DOLLARS ($22,100.00); TO DECLARE AN EMERGENCY; AND FOR OTHER PURPOSES.

WHEREAS, periodic review of the Communication Center’s organizational structure, programs and procedures is essential to efficient, professional operation of the Center as new technology develops and as public needs change; and,

WHEREAS, an independent audit of the Little Rock Emergency Communications Center’s operations performed by a public safety communications expert would help to identify equipment, staffing and training needs and to pinpoint any performance issues that need to be addressed; and,

WHEREAS, the emergency dispatch operational standards adopted by the City were developed by the Association of Public-Safety Communications Officials, International (APCO), a public safety communications standards developer accredited by the American National Standards Institute (ANSI); and,

WHEREAS, it would be impracticable and contrary to the public interest to hire any consultant other than an APCO consultant to determine whether the APCO operational and training standards have been met at the Little Rock Communications Center and, in light of that evaluation, to provide communications managers with advice on any issues surrounding effective and efficient operations; and,

WHEREAS, the Little Rock Board of Directors feels that this is a unique situation which makes competitive bidding impracticable and contrary to the best interest of the City.

NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF DIRECTORS OF THE CITY OF LITTLE ROCK, ARKANSAS:

Section 1. The City Manager is authorized to enter into an agreement with the Association of Public-Safety Communications Officials, International for a communications audit and associated consulting services in the amount of Twenty-Two Thousand, One Hundred Dollars ($22,100.00) plus applicable taxes.
Section 2. Because of the critical need to utilize the City’s current public safety communications standards as efficiently and effectively as possible by requesting that the developer of those standards identify any procedural or technical shortfalls, the Board declares that it is impractical and unfeasible to submit this matter to a competitive bid process, and, therefore, waives competitive bidding.

Section 3. Funds for this service are available in the Little Rock Police Department’s Seized Asset Forfeiture Funds.

Section 4. Severability. In the event any portion of this ordinance is declared or adjudged to be invalid or unconstitutional, such declaration or adjudication shall not affect the remaining portions of this ordinance, which shall remain in full force and effect as if the portion so declared or adjudged invalid or unconstitutional were not originally a part of this ordinance.

Section 5. Repealer. All ordinances and resolutions, and parts thereof, which are in conflict with any provision of this ordinance are hereby repealed to the extent of such conflict.

Section 6. Emergency Clause. It is essential to the public health, safety, and welfare to determine whether the APCO operational and training standards are met by the Little Rock Communications Center and to address any issues that are identified with respect to effective and efficient operation of the Center; an emergency is, therefore, declared to exist and this ordinance shall be in full force and effect from and after the date of its passage.
