<p>Adoption of the 2017 National Electrical Code.</p> <p>Submitted By:</p> <p>Planning & Development Department</p>	<p>√ Ordinance Resolution Approval Information Report</p>	<p>Bruce T. Moore City Manager</p>
SYNOPSIS	<p>Currently the City is enforcing the 2014 National Electrical Code. Adoption of the 2017 Code would bring the City up-to-date with the most current Code.</p>	
FISCAL IMPACT	<p>None.</p>	
RECOMMENDATION	<p>Approval of the ordinance.</p>	
BACKGROUND	<p>There have been numerous code hearings and research performed by the National Fire Protection Association, the general public and numerous professionals before code adoption. At the City level, it has been discussed with the local contracting trades and has been open for public review at the City Clerk's office per State Statute. In addition, notices were sent to various construction organizations.</p> <p>Adoption of this Code would help protect the public health, safety and welfare of citizens and would bring the City up-to-date with the most current code.</p>
