### SYNOPSIS
To authorize City Manager to execute agreements with Windstream for trunk lines for City’s Voice-Over Internet Phone System. With the option to increase or decrease service as demand dictates per the terms of the contract.

### FISCAL IMPACT
The monthly cost for up to 350 call paths shall not exceed $4,476.43 plus taxes and regulatory fees that are increased after January 10, 2017. The total yearly cost for the service would not exceed $53,717.16, plus any taxes and fees that are increased after January 10, 2017, with a five (5)-year total not to exceed $268,585.80, plus any taxes and fees that are increased after January 10, 2017. Each Department’s portion will be paid from their operational budget.

### RECOMMENDATION
Approval of the resolution.

### BACKGROUND
The City solicited qualified bids for Session Initiation Protocol Fiber Trunk Lines to upgrade the aging technology that has been in place since 1997.
