WHEREAS, the City is further authorized by Amendment 65 to the Constitution of the State of
Arkansas (“Amendment 65”) and the Act to issue its Revenue Bonds payable from revenues derived from
the industrial facilities so acquired, constructed and equipped; and,

WHEREAS, the necessary arrangements have been made with the CZ MFG, Inc., an Arkansas
corporation (the “Company”), for the financing of the acquisition, construction and equipping of a
substantial industrial project, such project to consist of (i) land acquisition, (ii) the construction of an
industrial building or buildings of approximately 264,000 in aggregate square-footage, (iii) the acquisition

WHEREAS, an open public hearing on the question of the issuance of the Bond and the financing of the Project was held before the Mayor and City Board of Directors on May 7, 2019, following publication of notice thereof in the Arkansas Democrat-Gazette on April 27, 2019; and,

WHEREAS, the Bond will be issued and secured pursuant to the terms and provisions of a Trust Indenture (the “Indenture”), by and between the City and Simmons Bank, as trustee (the “Trustee”); and,

WHEREAS, the necessary arrangements have been made by the City to lease the Project to the Company pursuant to the terms of a Lease Agreement (the “Lease Agreement”); and,

WHEREAS, the Company requests that the City enter into a Bond Purchase Agreement (the “Bond Purchase Agreement”) with CZ-US Holdings, Inc., a Kansas corporation, or another affiliate of the Company (the “Purchaser”), providing for the sale of the Bond.

NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF DIRECTORS OF THE CITY OF LITTLE ROCK, ARKANSAS, THAT:

Section 1. The City Board of Directors makes the following findings and determinations:

(a) Based on preliminary information compiled and released by the U.S. Bureau of Labor Statistics, unemployment in the Little Rock-North Little Rock-Conway Metropolitan Statistical Area (MSA) during February 2019 averaged 3.9%. Completion of the Project is expected to ensure additional employment and other benefits to residents of the City.

(b) The Company’s presence near the City is expected to be an important factor in the economic well being and employment base for the City and its inhabitants.

(c) The Bond shall not constitute a general obligation of the City within the meaning of any constitutional or statutory limitation, but shall be a special limited obligation of the City as provided in the Act, the principal and interest on which shall be payable solely from the revenues or other receipts, funds, monies and property realized pursuant to the Lease Agreement and pledged therefor under the Indenture.

Section 2. There is hereby authorized and directed the issuance from time to time of the Bond and the sale thereof to the Purchaser pursuant to the terms and provisions of a Bond Purchase Agreement to be dated
as of the date of the initial delivery of the Bond (the “Bond Purchase Agreement”), which Bond Purchase Agreement is specifically approved in Section 3 hereof. The Bond shall be sold at the purchase price of par plus accrued interest, if any, and shall be issued and delivered according to the terms and provisions of the Bond Purchase Agreement. The Bond shall be issued in the original aggregate principal amount of not to exceed One Hundred Twenty Million Dollars ($120,000,000), shall be dated as of the date of its delivery, shall have a final maturity of December 1, 2040, shall bear interest at the rate of 5.00% per annum, shall be in the form, and shall be issued upon the terms and conditions recommended by the Company, all as more particularly set forth in the Trust Indenture approved in Section 4 hereof. The Mayor is hereby authorized and directed to execute and deliver the Bond as requested by the Company, and the City Clerk is hereby authorized and directed to execute and deliver the Bond and to affix the seal of the City thereto, and the Mayor and City Clerk are hereby authorized and directed to cause the Bond to be authenticated by the Trustee.

Section 3. To prescribe the terms and conditions upon which the Bond is to be sold to the Purchaser, the Mayor is hereby authorized and directed to execute at the request of the Company the Bond Purchase Agreement on behalf of the City, by and between the City and the Purchaser, and approved by the Company. The Bond Purchase Agreement is hereby approved in substantially the form submitted to this meeting, and the Mayor, with the counsel of the City Attorney, is hereby authorized to confer with the Purchaser, the Company and Kutak Rock LLP, Little Rock, Arkansas (“Bond Counsel”), in order to complete the Bond Purchase Agreement in substantially the form submitted to this meeting, with such changes as shall be approved by such persons executing the document, their execution to constitute conclusive evidence of such approval.

(Advice is given that a copy of the Bond Purchase Agreement in substantially the form authorized to be executed is on file with the City Clerk and is available for inspection by any interested person.)

Section 4. To prescribe the terms and conditions upon which the Bond is to be secured, executed, authenticated, issued, accepted and held, the Mayor and the City Clerk are hereby authorized and directed to execute, acknowledge and deliver the Trust Indenture, by and between the City and the Trustee, and the Mayor and City Clerk are hereby authorized and directed to cause the Trust Indenture to be accepted, executed and acknowledged by the Trustee. The Trust Indenture is hereby approved in substantially the form submitted to this meeting, and the Mayor, with the counsel of the City Attorney, is hereby authorized to confer with the Trustee, the Company, the Purchaser and Bond Counsel in order to complete the Trust Indenture in substantially the form submitted to this meeting, with such changes as shall be approved by such persons executing the document, their execution to constitute conclusive evidence of such approval.

(Advice is given that a copy of the Trust Indenture in substantially the form authorized to be executed is on file with the City Clerk and is available for inspection by any interested person.)
Section 5. There is hereby authorized and directed acceptance of the conveyance by the Company to the City of the real and personal property comprising the Project and the lease of such property to the Company. The Mayor and the City Clerk are hereby authorized to execute, acknowledge and deliver the Lease Agreement, by and between the City, as lessor, and the Company, as lessee. The Lease Agreement is hereby approved in substantially the form submitted to this meeting, and the Mayor, with the counsel of the City Attorney, is hereby authorized to confer with the Company, the Trustee, the Purchaser and Bond Counsel in order to complete the Lease Agreement in substantially the form submitted to this meeting, with such changes as shall be approved by such persons executing the document, their execution to constitute conclusive evidence of such approval.

(Advice is given that a copy of the Lease Agreement in substantially the form authorized to be executed is on file with the City Clerk and is available for inspection by any interested person.)

Section 6. The City and the Company recognize that under Article 16, Section 5, of the Constitution of the State of Arkansas, as interpreted under past decisions of the Supreme Court of the State of Arkansas applicable to facilities financed pursuant to the Act, including particularly the case of Wayland v. Snapp, 232 Ark. 57, 334 S.W.2d 663 (1960), the Project will be exempt from Ad Valorem taxation. Although the City makes no representation as to the continued precedential value of such past decisions, the Company has agreed to enter into an Agreement for Payments in Lieu of Taxes to be dated as of the date of its execution (the “PILOT Agreement”) requiring the Company to make certain payments in lieu of all Ad Valorem Taxes which would otherwise be levied on the Project real and personal property by local public bodies with taxing power. In order to provide for such payments, there is hereby authorized and directed the execution and delivery of the PILOT Agreement, and the Mayor is hereby authorized to execute and deliver the PILOT Agreement for and on behalf of the City. The PILOT Agreement is hereby approved in substantially the form submitted to this meeting, and the Mayor, with the counsel of the City Attorney, is hereby authorized to confer with the Company and Bond Counsel in order to complete the PILOT Agreement in substantially the form submitted to this meeting, with such changes as shall be approved by such persons executing the document, their execution to constitute conclusive evidence of such approval.

(Advice is given that a copy of the PILOT Agreement in substantially the form authorized to be executed is on file with the City Clerk and is available for inspection by any interested person.)

Section 7. The Mayor and City Clerk, for and on behalf of the City, are hereby authorized and directed to do any and all things necessary to effect the execution and delivery of the Bond, the Bond Purchase Agreement, the Indenture, the Lease Agreement and the PILOT Agreement, and to perform all of the City’s obligations under and pursuant thereto. The Mayor and the City Clerk are hereby further authorized and directed, for and on behalf of the City, to execute all papers, documents, certificates and
other instruments that may be required for the carrying out of such authority or to evidence the exercise thereof.

Section 8. Because the City is here involved with the acquisition, construction and equipping of a complex industrial project requiring highly specialized work and specialized types of machinery and equipment, it has been and is hereby determined by the City Board of Directors that competitive bidding be, and the same is hereby, waived as to this particular industrial project. This action is taken by the City pursuant to applicable laws of the State of Arkansas, including particularly the Act.

Section 9. Kutak Rock, LLP, Little Rock, Arkansas, is hereby appointed as Bond Counsel with respect to the issuance of the Bond, the fees and expenses of which firm shall be costs of the Project and paid from the proceeds of the Bond or by the Company.

Section 10. Severability. In the event any title, section, paragraph, item, sentence, clause, phrase, or word of this ordinance is declared or adjudged to be invalid or unconstitutional, such declaration or adjudication shall not affect the remaining portions of the ordinance which shall remain in full force and effect as if the portion so declared or adjudged invalid or unconstitutional was not originally a part of the ordinance.

Section 11. Repealer. All laws, ordinances, resolutions, or parts of the same that are inconsistent with the provisions of this ordinance are hereby repealed to the extent of such inconsistency.

Section 12. Emergency Clause. The ability to bring a major international manufacturer to the City in conjunction with the efforts of the Arkansas Economic Development Commission, and the Little Rock Regional Chamber of Commerce, which will provide numerous high paying jobs is essential to the public health, safety and welfare, and the need to close any transactions on timeframes that involved such diverse parties is also essential; an emergency is, therefore, declared to exist and this ordinance shall be in full force and effect from and after the date of its passage.
