### BACKGROUND
Ordinance No. 16,781, adopted by the Little Rock Board of Directors on October 18, 1994, rezoned this site from C-3, General Commercial District, to PCD, Planned Commercial District. The approval was to allow Brent Tyrrell Leasing to operate an automobile leasing company from the site.
Ordinance No. 17,223, adopted by the Little Rock Board of Directors on July 2, 1996, allowed the rezoning of this site from C-3 and PCD for a Phase II portion of the development. This development was proposed as a mixed use development and allowed the expansion of Brent Tyrrell Leasing and construction of a new building on a property located immediately east of the original site. This development did not occur. The Board of Directors adopted Ordinance No. 17,554 on August 5, 1997, revoking the PCD zoning and restoring the C-3 zoning.

The applicant is now requesting to amend the previously approved PCD located at 12300 Chenal Parkway to allow a MedExpress development on the site. The development is proposed with a one (1)-story, 4,718 square-foot immediate care medical office building with associated parking. The site plan indicates thirty-seven (37) parking spaces.

Please see the attached Planning Commission minute record and site plan for the applicant’s specific development proposal and the staff analysis and recommendation.
