**Submitted By:**
Public Works Department

**SYNOPSIS**
A resolution to authorize the City Manager to execute an agreement with Advanced Fluid Technologies, Inc., for Landfill Gas System Expansion, Bid No. 596.

**FISCAL IMPACT**
Amount for Construction Services is not to exceed $200,344.26, which is the base bid amount of $166,953.55, plus 20% contingencies. Funding for this project is from a Special Capital Improvement Activity in the Solid Waste Enterprise Fund.

**RECOMMENDATION**
Approval of the resolution.

**BACKGROUND**
This project is for the installation of landfill gas collection system extensions and improvements required by the landfill operating permits. This type of construction is required as the landfill is developed in phases or cells. Advanced Fluid Technologies, Inc., was the lowest, responsive, responsible bid meeting specifications of four (4) bids received for the project.
