### BACKGROUND
In December 2010, a Building Permit was issued for the property to allow Units A – C to be “brought up to Code”. The renovations have been completed and the applicant is seeking approval of the rezoning to recognize the three (3) units as currently exist. A new graveled parking pad will be added to the site in the rear-yard to allow for three (3) off-street parking spaces.

The Planning Commission reviewed the proposed PD-R request at its August 9, 2018, meeting and there were no registered objectors present. The Downtown Neighborhood Association and all property owners located within 200 feet of the site were notified of the public hearing.
