2016 Departmental Employees of the Year

City Manager Bruce T. Moore established the Mahlon A. Martin Employee of the Year Award in 2004 to acknowledge City employees who exhibit a high quality of job performance and significantly contribute to the quality of life within the City. Mr. Martin was the first African American to serve as the Little Rock City Manager. Throughout Mr. Martin’s career, he was respected in the community and by City employees by being accessible to the people he represented. Each year the City departments nominate a Departmental Employee of the Year. These individuals embody the commitment to serving the citizens of Little Rock, as well as their fellow employees. These Departmental Employees of the Year are considered for the Mahlon A. Martin Award. Bruce Moore honored all of the award nominees at reception on Monday, April 25, 2016. A Committee made up of City Department representatives met to select three finalists from the nominations. Congratulations to the three Employee of Year finalists for the Mahlon A. Martin Award:

- Joetta Bailey – Environmental Court**
- Lennie Jackson – Information Technology**
- JJ Muehlhausen – Little Rock Zoo**

The names of the three finalists will be given to the City Manager who will select this year’s award recipient for the Mahlon A. Martin Award. The recipient will be announced at the Employee Recognition Luncheon, where we will also honor employees with more than twenty years of service to the City.

Congratulations to Our 2016 Departmental Employees of the Year

Supervisory Equivalent Training (SET) Program

Congratulations to the following four individuals who have already completed all of the requirements of the Supervisory Equivalent Training (SET) Program:

Terence Cox – Information Technology

Lisa Hinshaw – Human Resources

Brandon Lewis – Public Works

Shronica Thomas - Finance

The SET program was developed to address the issue of employees who do not possess any supervisory experience. Employees who complete all of the required hours/classes will be given credit for one year of supervisory and leadership

experience when applying for future promotional opportunities within the City.

The SET core curriculum consists of twelve (12) hours and employees must complete three (3) hours of electives of their choice for a total of fifteen (15) required hours. Even if you are not interested in completing the entire SET program, employees are welcome to register to attend any of the classes with approval from your supervisor.

Please contact Kathleen Walker if you would like to be included on the monthly e-mail schedule for upcoming SET classes:

Our Sincerest Thanks

Your Human Resources staff would like to again express our sincerest thanks for all of the phone calls, e-mails, cards, plants, and uplifting thoughts as we said goodbye to our co-worker and friend, Terrance Richardson. Terrance had such a gift in showcasing the beauty around him through his love of photography. Terrance's spirit lives on not only through how he touched the lives of his family, friends, and anyone who had the opportunity to meet him or view his talented photos.

Gone, but not forgotten...
