

Resurfacing 2019-2021

The map displays a large residential complex with numerous streets and roads. A legend in the top right corner identifies the years of resurfacing:

- 2019**: Represented by green lines.
- 2020**: Represented by blue lines.
- 2021**: Represented by red lines.

The map shows extensive resurfacing work across the entire area, with significant portions completed in 2019, some in 2020, and others in 2021. The streets are labeled with their names, such as River Ridge Rd, Northshore Dr, and various local roads like Blackwood Dr, Palisades Dr, and Scenic Dr.
