# Community Programs Department Re-Entry Program Cohort Meetings

The Re-Entry Program Cohort Meeting is in the process of planning another Cohort meeting with potential clients. These are small meetings to assist our clients through their employment journey. Clients have an opportunity to meet other individuals struggling with the same issues. Also, we explain the City of Little Rock hiring process as well as our other employers. Classes have been postponed due to Covid and will resume in the near future to help ensure that our clients remain on a successful path.
