Little Rock's Adopt-A-Street program is a 24 year old program started and overseen by the Public Works Department to provide an outlet for citizen groups, families & businesses to help the City maintain our city streets with volunteer litter clean ups. In 2012, we partnered with Keep Little Rock Beautiful to help us promote the program.

We require the group to adopt at least 3 blocks of a designated city street. Participants will hold at least four clean ups per year and report on their activities. In return, the City of Little Rock will recognize your group with signage at the site of the adoption. The City also provides supplies and will pick up the trash bags if needed.

Start your journey with us by clicking on the green sign up button in the upper right hand corner. We look forward to beautifying Little Rock with you!

For more details, review the [Adopt-A-Street page](#) on the City of Little Rock website.

On the right side of the page, there is a green "Sign up to apply" button, a white "Contact us" button, and a "Share Opportunity" section with social media icons for Facebook, Twitter, and Google+. Below this is a "Who's attending?" section with a "Please login/signup to see who else are coming? Log in" link.
