Therapeutic Recreation uses education and recreation services to help people with disabilities develop and enhance their quality of life. This day camp is a therapeutic based program that emphasizes fun recreational activities for people with special needs to promote the development of motor skills, social skills, independence and other related areas. This camp is active and days are filled with games, swimming, community outings, arts and crafts and more. Due to staff/participant ratio, participants must be independent with personal care or provide an aide.

*This price includes most outings. The camper will need money occasionally.

*Campers will be dropped off and picked up at the designated site each day. We will have activities on site as well as outings in the community. *(make note of this when deciding if this camp is an appropriate setting for your child)*

*Campers will need to bring their lunch each day.

*Camp applications will be on a first come first serve basis, Space is very limited.

*You will be notified of an accepted enrollment. You will be put on the waiting list if that week is full.
