*The  
Badge Of  
Honor*

**LITTLE ROCK POLICE DEPARTMENT**

May 25 2017

## **What is COMPSTAT?**

COMPSTAT stands for Comparative Statistics. In a weekly meeting of police command staff, divisional supervisors and other personnel, all parties discuss recent Part I criminal activity and propose strategies to address the situation.

Each meeting covers a three week period, and rotates between the three patrol divisions – Downtown, Northwest, and Southwest. All three divisions provide maps tracking activity in seven different crime types, but only one division presents per week.

Other divisions also report – Special Operations Division, Special Investigations Division, Major Crimes Division, and the Headquarters Division – Communications Section. Those divisions reports are not included in this report because they may contain sensitive law enforcement information.

## **Glossary and Notes**

**RP** – Reporting Period - the most recent week of the 3-week COMPSTAT period.

**Part I Incident** - The FBI standard for its *Crime in the United States* report, issued each fall. Part I violent crimes are murder or non-negligent homicide, rape, robbery and aggravated assault. Part I property crimes are burglary, larceny, auto theft and arson.

*\*In our COMPSTAT report, we only include maps of non-domestic aggravated assault incidents, but all aggravated assault incidents are included on the charts.*

These figures are based on offenses reported to LRPD and are retrieved from the Department's Records Management System.

The figures may include some Offenses that may be reclassified after further investigation
