Our Mission

To improve the quality of life for individuals with disabilities by providing community recreational and leisure opportunities and promoting lifelong skills.

What is Recreational Therapy?

Therapeutic Recreation is a purposeful intervention designed to bring about positive emotional, social, physical or cognitive changes in individuals with disabilities.

Interventions are designed to foster independence and develop skills for improved quality of life.

Programs are highly structured, goal oriented opportunities to bring about change while incorporating a participant's individual leisure interests.

The Benefits are Endless....

- Teaches new skills and knowledge
- Builds strong minds and healthy bodies
- Enhances self concept, self esteem and confidence
- Fosters peer relationships and community integration
- Develops life-long leisure skills
- Improves quality of life

The Therapeutic Recreation division of Little Rock Parks and Recreation utilizes trained staff, adapted equipment and community based activities to provide programs that enhance a participant's ability to enjoy recreational, leisure and social settings.

Did you know that Therapeutic Recreation services can be paid by Medicaid Waiver?

If you are eligible for the Medicaid Waiver program, your participation in LRPR Therapeutic Recreation programs may be covered. We would be happy to work with you and your provider to add Recreational Therapy to your care plan. If you are interested, contact your provider for more details or call us with questions. This is a great opportunity to get the most out of your Medicaid Waiver dollars.

If you are planning to utilize Medicaid Waiver payments for Therapeutic Recreation programs listed in this brochure, please notify us at the time of registration. You will be asked to complete an agreement and provide your Caseworker's contact information.

Adult Programs are designed to meet the leisure interests of participants ages 21 (or high school graduate) and up.

Participants must be independent in daily living skills, able to be successful within a staff to participant ratio of 1:4, and able to manage their own money with little assistance - OR - provide a personal aide. The cost covers expenses of the activity. Unless otherwise noted, you will need to provide money for meals/concessions, if applicable. For participants with an aide, please note that you will be responsible for any fees incurred.
