

Light Bulb Recycling Locations in Little Rock

There is no single location that accepts all 3 main types of light bulbs.

Incandescent Light Bulbs:

- Batteries + Bulbs store
- Home Depot takes ONLY incandescent light strings

Light Emitting Diode (LED):

- Bulbs + Batteries for a fee
- Do you know of a location that accepts LED bulbs for recycling? If so, please let us know!!

Compact Fluorescent Bulbs

(CFLs):

- Batteries + Bulbs store
- Home Depot
- Little Rock Green Station:
10001 Kanis Road, Thursdays
7 a.m. — 5 p.m. Also takes 4' fluorescent tubes.

If any of this information is incorrect or missing, please let us know by emailing recycle@littlerock.gov or by calling 501-371-4586.
