LITTLE ROCK COMMISSION ON CHILDREN, YOUTH AND FAMILIES
SMALL CONTRACT APPLICATION ($1,500 LIMIT)

BACKGROUND: The establishment of the Department of Community Programs was the culmination of efforts that started in 1988 with a $10 million grant from the Annie E. Casey Foundation. That was followed in 1991 with a Fighting Back Grant of $5 million from the Robert Wood Johnson Foundation. Then, in 1993, Little Rock voters passed a 1/2 cent City sales tax to permanently designate City funds to sustain and administer Prevention, Intervention, and Treatment (PIT) funding*. In 2011, voters overwhelmingly approved an additional 5/8 cent sales tax for PIT operations* in order to meet the increased needs of the city. (*in addition to other major city initiatives)

The Little Rock Commission on Children, Youth, and Families (CYF Commission) was formed in May 2002. In its advisory role to the City of Little Rock Board of Directors, the Commission provides policy leadership, recommendations, and advocates to promote healthy children, youth, and families in Little Rock.

MISSION STATEMENT: The Commission shall provide policy leadership and advocacy that improves the health, safety, education and quality of life of children, youth and families in Little Rock.

CONTRACT ELIGIBILITY: Established 501(c)(3) organizations (or partnership with a 501(c)(3) organization) with a mission consistent with goals of the Commission. Current Year-round PIT contractors are ineligible to apply. The Commission solicits proposals for programs, projects, and events, conducted by nonprofit organizations that provide enhanced educational, recreational, and/or family development opportunities for Little Rock residents. NOTE: The 501(c)(3) agency is who the contract will be made with, who will receive the check, and who will be legally responsible for all contract obligations.

To apply for funding, organizations must submit a proposal, which contains the components enumerated below. A proposal will be considered on the basis of how it fits with the Commission’s annual Funding Priorities; which include recreation, family development, academic enrichment (with emphasis on academic support for promoting literacy and STEM, and extended school day programming) youth development, employability programs, substance abuse prevention, intervention and treatment services, and other projects for children, youth, and families.

GENERAL PROGRAM APPLICATION GUIDELINES: The City of Little Rock Department of Community Programs must receive applications at least fifteen (15) days prior to the next regularly scheduled Commission meeting; or at least 60 days prior to the event or start-up of activities to be funded. The Commission meets on the first Wednesday of each month. The time period covered for proposals should be no longer than twelve (12) months. The Commission has allocated up to $1,500 per each proposal received from an outside entity and approved by a majority vote of the Commission. If approved, applicants are limited to one contract per year. Leveraging of funds is encouraged. The Commission reserves the right to initiate specific projects for which bids may be solicited.

The Finance Committee of the Commission reviews proposals monthly, and makes contracting recommendations to the Commission. The Commission will take action on these recommendations at its’ next monthly meeting. Final approval is required by the City Manager’s Office. Funds are not distributed until the City of Little Rock and the service provider (501(c)(3) agency) have signed a contract.

Allowable Expenditures: The Commission may provide funds for the following types of expenditures:
• Supplies – purchase of supplies, printed materials, and other items directly related to the proposed service.
• Transportation – bus or van travel required for the delivery of service.
• Travel – conference travel, group travel, accommodations, trip insurance.
• Meals/refreshments – as long as 50% of total contract is for other program, project services.

Part I Taxpayer Identification Number (TIN)
Enter your TIN in the appropriate box. The TIN provided must match the name given on the "Name" line to avoid backup withholding. For individuals, this is your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 3. For other entities, it is your employer identification number (EIN). If you do not have a number, see How to get a TIN on page 3.

Note. If the account is in more than one name, see the chart on page 4 for guidelines on whose number to enter.

Part II Certification
Under penalties of perjury, I certify that:
1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and
3. I am a U.S. citizen or other U.S. person (defined below).

You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. General Instructions
Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form
A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:
1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:
- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.
